THE ELONEN-WRIGHT STUFF

4 words: Renew your membership, NOW! And "Thank you" to all of you who already have done that!

Remember that at the summer picnic, we formed our annual review committee for the Activity Guide. The committee has had one meeting and we hope to get it all wrapped up by 2003. Gee, we're ambitious! Per our constitution, the review committee is made up of the 3 vice-presidents, the 3 trustees and me, plus we've added three volunteers: Randy Dunn, Mark Hyatt and Malcolm Wood. If anyone has any ideas about changes that are required, or would be really nice to have, please contact any one of the members of this review committee.

Check out the back of this newsletter for our BIG trip flyers. Both Annie and Tom's trips are filling, but there may still be room to add you on. AND, check out that snazzy, cool, wonderful trip to [Lake Placid in early](#)

January! Wow! What a deal! Need more information, just ask me!

The club owes many, many thanks to Mark Manthey for serving as Publicity Director off and on over the last few years. Whenever the club needed someone to step in and pull together our primary means of communication, this newsletter, Mark was there to do it with wit and style. Thank you, Mark, for a job well done!

Charlie Snyder has agreed to be our new Publicity Director! Thank you, Charlie! This is, in fact, his first newsletter!!!! I'm looking forward to working with you!

Remember that our November club meeting will be the first one of this season for our one-day ski trip raffle/give-away! Be there or pay!

Skiingly yours,

Linda Elonen-Wright

Check out the new WebSite!

<http://lewisskiclub.org>

Our new internet provider is E-business Express. The service has been terrific so far. Club member, Jim Slifka, recommended this company, so our thanks to him. We are authorized to spend up to \$300 a year on the website, and I don't expect us to exceed that

amount. We have up to 200 MG disk space (we are using 27 MG so far), and can have up to 600,000 hits per month. Send me an e-mail (Teresa.Monaco@grc.nasa.gov) if you want anything posted on the web.

Ski Queen Kristen

I was born and raised in Cleveland and always wanted to learn how to downhill ski. While attending graduate school at Ohio State University, I discovered that alpine skiing was offered as a physical education course included in the tuition! What a bonus!

Not knowing what I was getting into and being young, i.e., a risk taker, I signed up for the course. It

turned out that the class was offered on a 1½ story, man-made slope covered in AstroTurf and little plastic pellets. The course was taught using 100cm skis for the women and 130cm skis for the men. Fortunately, it was a snowy

winter so the “slope” was covered by natural snow and I was off or should we say down.

With newly learned downhill skiing skills and confidence, it was off to Snow Trails on the weekends while at OSU and the following winter to bigger, farther places such as Peak’n’Peak and Holiday Valley.

Since I love to be active and outdoors, I will Nordic ski at the various parks around Cleveland when snow conditions allow.

Be sure to come down and cheer Kristen on at the CMSC Winterfest. It’s being held at Fagan’s in the Flats. Events start at 4:30. The main pageant is at 6:00.

An Evening with Jeannie Thoren

Several NASA skiers recently had the opportunity to attend a presentation given by Jeannie Thoren (<http://www.jeanniethoren.com/>), one of the “top 100 ski instructors for 2000”.

Jeannie has devoted a good part of her professional life to understanding the biomechanics of skiing, and how anatomical differences between men and women affect how women ski. She considers the position of the center of mass (lower, and further back in women), the angle that the femur makes with the knee, the shape of women’s feet (generally narrower overall, and particularly at the heel), and the position of the gastrocnemius muscle, and the consequences these differences have for skiing.

She has developed recommendations for equipment modifications that can improve women’s skiing. Most of these are quite simple; for example putting heel lifts in a woman’s boots, and moving the bindings forward, helps put her more forward over the skis.

More details on these differences, and her recommendations, are available at her website. Jeannie is

also an expert boot fitter and knows the range of different boot models available. Many boots are designed for people with average length feet, average width, average arches, no pronation, average ankle flex, and average leg length. These all affect how well the cuff fits.

The one person in the world who matches these parameters doesn’t need help with boots, but the rest of us can benefit from her knowledge. I went to her demo days last year at Boston Mills; although I’d long since resigned myself to the realization that ski boots just don’t fit my feet, she did indeed find boots that fit.

Jeannie will have demo days (skis and boots, including modified position of the bindings) again this year at Boston Mills/Brandywine December 27-29. For information, contact Karen Giebler, 1-800-875-4241, X 2000. She will also have more extended women’s equipment clinics at Holimont January 17 – 19 and January 24 – 26; contact Linda Chudy at 1-716-699-9159. Nordic skiers should realize that Jeannie’s ideas are just as pertinent to Nordic skiing

As of this writing, 114 club members have renewed their memberships for the 2002-2003 year and we have seventeen new members. If you have not renewed yet this year, you have until Nov. 15 to do so. After that, you will pay a higher rate to rejoin. Contact Gene Addy, Membership Chair, at 216-977-7467(w) for more information. *A membership form is at the back of this newsletter.*

Fellow Alpine Enthusiasts ...

The clouds are looking more and more like they are full of snow. This year we have five great day trips to western New York and Pennsylvania, one long weekend trip to Lake Placid, and two weeklong Whistler and Morzine. All of these trips have openings.

I have received the bus quotes. This information has been compiled and forwarded to the trip coordinators. The trip coordinators will now begin to put together a budget and a flyer. The First HoliMont and Lake Placid trip flyers and budget have been completed and are available in this newsletter. The remainder of the trips will be in the next newsletter.

We did have to switch the last Holiday valley trip on 2/14/03 with the HoliMont trip on 2/28/03. So please update your schedule with a current one.

Here are the trips with the trip coordinators.

January will be a very busy month for the club. The first day trip is planned for HoliMount on January 3, 2003 theand then followed by Holiday Valley on January 17, 2003, Peak-n-Peek with Wilderness Lodge on January 20th, and finally to Ski Denton (a new place for the club) on January 31. Between the first day trips we have a long weekend trip to Lake Placid beginning on January 8th and ending on Jan 12, 2003. To help close out the month and take us into February, we have a weeklong trip to Whistler. This trip begins on January 25 and ends February 1, 2003. We go to HoliMont on February 14 and Finally to holiday Valley on February 28. We close out the season in March with a trip to Morzine, France and Barcelona, Spain. This trip is planned for March 14 and ending on March 25, 2003.

THE Skinny ON NORDIC EVENTS

We have some great cross-country ski opportunities planned for this ski season. So it's time to start thinking about snow and deciding where you'll be skiing this season.

Check out the schedule below.

Lake Placid has some great cross-country skiing and the trip is selling fast! Sign up soon so you don't miss out! Roger Meredith is putting together a trip to Art Roscoe in New York. I've skied there before and really enjoyed it.

We're going to try a combination Alpine & Nordic trip this year to Peak-n-Peek and Wilderness Lodge. Wilderness Lodge is in Watsburg, PA and has about 25 miles of groomed trails for either skate or track x-country skiing. Rentals and lessons for both skate skiing and traditional diagonal stride cross-country skiing are available. Stay tuned for more details.

Two events you might want to check out if you need equipment are:

Nov. 9-10 Ohio Nordic Ski Club Swap Shop, Cleveland Ski Club Swap Shop Lake MetroParks Winter Expo, Lake FarmPark, 8800 Chardon Rd (Rt. 6), Kirtland, OH . Saturday 9am.-8pm. & Sunday 9am – 5pm

Jan. 12, 2003 Annual Telemark Ski Fest at Boston Mills/Brandywine Ski Area, 8:30am – 4:00pm

If anyone is interested in coordinating some of the local outings to Chapin Forest, North Chagrin, or Punderson please let me know. No buses involved in local outings. Trip coordinator still needed for Art Roscoe II !!

Whistler-Blackcomb, BC

January 25 - February 1, 2003

<http://www.whistler-blackcomb.com>

Come ski with the Lewis Ski Club at what is consistently rated one of the best ski resorts in North America. Whistler has some of the most advanced terrain you will see, as well as intermediate and beginner slopes, and huge quantities of all three. January should have some of the most conducive skiing weather to be had at Whistler. Accommodations are in the Mountainside Lodge; true walking distance to the Whistler and Blackcomb gondolas. Don't worry; the Mountainside lodge is also walking (or crawling) distance from the main village and all its dining, entertainment, and shopping. The Mountainside Lodge has a heated outdoor pool and hot tub. All rooms have fireplaces and full kitchens. We have 6 two-person studios and 6 three-person studio/lofts, totaling 30 slots available.

The trip includes:

- Round trip air Cleveland to Vancouver
- Round trip airport transfers
- 7 Nights lodging with all hotel taxes
- 5 of 7 day lift ticket

Trip Cost (Ground-only available at a reduced price):

Double occupancy studio	\$1,140/person
Triple occupancy studio w/loft	\$1,066/person
Ski Rentals available	

Payment Schedule:

\$100 deposit due for sign up to hold your slot (**\$60 non-refundable**)
\$300 due September 15
\$300 due October 15
Balance due November 15 (\$440 double, \$366 triple)

General trip outline for Lake Placid

Coming and going:

- We'll leave Cleveland around 7am on Wednesday, January 8th, and get into LP around dinner time.
- We'll leave LP around 7am on Sunday, January 12th, and get into Cleveland around dinner time.

Getting around while we're there Thursday, Friday and Saturday:

- There is a shuttle service with Lake Placid that runs from our hotel to Whiteface and Mt. VanHoevenberg.
- Our bus will also supplement that schedule with 3 runs (roundtrip) of our own.
- More details on this later.

Food:

- Munchies and some beverages will be provided on the bus going and coming.
- We will make at least a lunch time stop both going and coming.
- Food while we're in LP is on your own. The meal sign-up info on the next page is for the hotel and only if you're interested in that. They simply prefer that we pre-pay for it so we included it here.
- We are staying in downtown LP. You DO have a wide choice of options of where to go to eat and they are within easy walking distance.
- IF you are interested, we could look into arranging a sleigh ride dinner or a group dinner one night. Let Linda know if that's something you'd like to do.

Cleveland Metro Ski Council Wednesday Night Race Series at Boston Mills

Want to sharpen your ski skills? This is an excellent way to start. It's a fun time and you get to meet folks from the other clubs in friendly competition. The Wednesday Night Series is welcomes all levels of ability and is an excellent way to see if you like ski racing.

Race Fee Includes:

- Six Wednesday Night Races (2 Timed Runs each night)
- Final Race with an Apres Ski Lunch and Party following on Sunday, March 2
- Dual Elimination Race on Sunday, March 2

Races Start at 7:30. Bib pickup is from 6-6:45

Race Fees

- By December 30 \$40
- After December 30 \$45

All racers must be a member of a CMSC Club and will need to sign up for their own Pick-a-Day package with the Boston Mills Ski Area. If you have never raced in the series before and have not qualified or participated in a weekend CMSC Race, you will be placed in a qualifier Class. This qualifier or series does not qualify you for the weekend races. Classes may vary based on participation.

To sign up, Contact Sue Stewart at 2809 Clinton Avenue, Cleveland, Ohio 44113

Paintball!!!

Who: Tom Palisin organized an outing, just for fun! (440) 734-0493.

What: Paintball, two teams play capture the flag with semi-auto paintball guns on 12 different playing fields. Typically we play over 8 games. (Call me for more info.)

When: Sunday, November 10, from 11:00 a.m. through 4:00 p.m.?

Where: Pinnacle Woods Paintball, 10241 Old State Rd, Chardon, OH 44024, PH 440-286-6167, see map, page 2.

What does it cost? Here is the price list.

Field Rental	Cost	Paint gun and Equipment Rental	Cost	Supplies	Cost
Pays officials	\$17	Semi Rental (includes mask, full CO2 tank, and armband)	\$13	100 Premium Paintballs	\$6
		Ammo Pouch Rental	\$5	200 Premium Paintballs	\$11
		CO2 Refill	\$2.50	500 Premium Paintballs	\$25
		Goggle/armband Rental Only (if you have your own gun)	\$5	2000 Premium Paintballs	\$80
		Goggle anti-fog spray bottle	\$4	2000 Marbalizer Paintballs	\$95
				Squad buster paint grenade	\$6

Here is a breakdown for an average person (I use myself as an example of average, right or wrong.) Keep in mind; you can use as much or as little paint as you want.

Field Rental \$17 (This will be your non-refundable deposit.)

Gun Rental \$13 (\$5 if you have your own gun.)

Paintballs \$24 (Split a 2000 pack and some anti fog spray amongst some friends.)

Total \$54

What do you need to do? Fill out the bottom of the page, below, and return to Tom Palisin with your \$17 non-refundable deposit by Friday, October 11, 2002 to insure your spot. Every participant must provide all the information. 12 – 17 year olds can play, providing they have a signed notarized waiver (form available from Tom).

Suggestions: Wear camos or hunting attire. Dress warmly. Bring your own food and (non-alcoholic) beverage. Buy a large amount of paintballs and split it up. Bring something to carry extra ammo (small plastic squirt bottles for example) on your person, running out of paintballs in the field sucks and usually leads to death!

No carry-on paintballs, CO2, or air fill stations are allowed. No alcoholic beverages are permitted on the property. Violations will result in your being asked to leave without a refund!!!!
