Dear Ski Club Members:

Wow, have we got the ski season for you! Please check out the back of this newsletter for our trip flyers. Aspen week long trip, AND our weekend trip AND all but one of our 1-day trips are here also! Come on out and ski with us!

On November 8th, CMSC held their Winter Adventure Expo (better known to us as the old Ski Fair) at the Holiday Inn in Richfield. Our queen candidate, Victoria Briscoe, did a great job and made it to the semi-finals.

Thanks, Victoria! We're proud of the way you represented our club! I'd also like to thank all of the volunteers that helped staff our booth. We had fun talking to club members, old friends, perfect strangers and even some really strange people (I won't mention names!). I'm told that after the queen competition, dancing went on until the early morning hours... I'm sure that was simply cross-training for the ski season!

And, finally, not to get too personal, but I must ask, have you renewed your membership? The time is **NOW!** And "Thank you" to all of you who already have done that!

-- Linda Elonen-Wright, Prez

White Elephant Gift Exchange at Next Monthly Meeting!

There will be a "white-elephant gift exchange" at the next club meeting, Tuesday, 2nd of December, 2003. Bring a nicely wrapped gift.

Be creative! You'll get to grab one, too! It's up to you what these are.

For suggestions, some may like to try for a winter/ski theme, but there are no guidelines. You will get to swap for one gift, so don't forget to bring your white elephant!

ALPINE NEWS

Fellow Alpine Enthusiasts:

Have you been checking out the weather

channel lately, the west, mid west, and north east have had white colors showing all over them. We have only been teased with some wet white stuff, but it's sure to come. With this current warm weather the lake will not freeze early.

All you old timers know what this means. If the lake doesn't freeze early, then we get a good ski season due to lake effect. Yep, that dreadful word "lake effect" will be our friend. I know lake effect caused the Indians to lose the World Series a few years ago and for the Browns to lose a game or two.

Again, this year the lake effect will be our friend.

All trips except for one have been priced. Start planning today so you do not miss out on another anticipated great snow year.

--Al Linne, Alpine VP

NORDIC NEWS

I would like to develop a "Call-Up" list so that short notice Nordic outings might be arranged in the Cuyahoga Metroparks. I will try to provide 24 hours notice of such an event, which would occur when snow conditions are favorable.

We could have an outing on a Saturday, or a weekday afternoon if people can take a few hours of annual leave. E-mail me at Thomas.W.Haag@grc.nasa.gov, or telephone me at (216)977-7423 and indicate your preferred means of contact. Also, feel free to suggest good locations.

Some Lewis Ski Club members have asked if there are any out-of-state Nordic trips planned for this season. At the present time there are none. Linda Elonen-Wright has suggested that members consider Holiday Valley for possible Nordic skiing.

There are Nordic trails along the top of the mountain accessible via one of the chair lifts. Single use lift passes have previously been available from the Holiday Valley ticket window for such purposes. The club presently has bus trips to Holiday Valley scheduled on Jan 16, Jan 30, and March 12. Contact the appropriate trip coordinator to negotiate such an arrangement.

Another member suggested the possibility of a one day drive-up trip to Wilderness Lodge, PA. Please contact me if you would be interested in such a trip, and we will try to pick a suitable date. It does not take many people to fill a car, so this may be a good option.

Racing News, Too Fast to Print

Here is the CMSC Weekend Race Series schedule for next year. Well, I hope everyone is doing their dry land training! Ski season, and racing, is not far off.

The Metro **Race Season** begins as usual with the **Qualifier** at **Boston Mills**. This year it will be on **Monday night, December 29th**. If you've ever been curious about what running gates is like, enjoyed testing your skill on a NASTAR course, or just miss the fun of some

collegial competition, Metro racing just might be for you. There are classes for racers of every skill and age level, on skis and boards.

The purpose of the Qualifier is to assess your ability and place you in the appropriate class for competition. Give it a try, you'll learn something, and have fun doing it.

There's also the Wednesday night series at Boston Mills, and gate training you can sign up for at either Boston Mills or Brandywine to make use of your new Pick a Day pass.

Getting started is easy, just give me a call, or send me an email, and I'll fill you in with all the info you need to hit the course with confidence. Typically, registration is due 3 days before each event. Signing up ahead of time saves you money, and time at the registration desk on the day of the race.

SUGAR BUSH RACE CLINIC

Hello Everyone,

Once again, Sugar Bush will be holding a 5 day race camp. Dates are Wednesday, Dec 17th thru Sunday, Dec 21st.

*There is an outside chance that some people could do only a 4 day camp. Dec 18th thru Sunday, Dec 21st * Race camp will be held at Sugar Bush, VT.

<http://www.sugarbush.com/winter/main.htm>

Head coach will be Doug Lewis. **Above is his picture!!!**

<http://www.eliteam.com/> I will work very hard to get 22 to 24 racers and no more. This will assure us 3 coaches.

Because I am getting such late start, I do need help from all of you to promote this camp.

We need minimum of sixteen to hold this camp. That should not be a problem. The next eighth is the question.

We will be staying in Club Sugarbush. Its not slope side but it is in the

so-called Sugarbush village and there is a shuttle. 4 to 5 people per condo. 5 Night Stay, 5 Day Lift

5 Days of coaching, videotaping and at least one day of timed runs.

\$ 585.00 per person

Second is to stay at Sugar Bush in. It's a Hotel / Bed and Breakfast style. 2 people per room / includes breakfast \$ 650.00

If someone need only 4 nights lodging it gets tricky again. Because I need to have a full condo for 4 nights. Need to have \$100 deposit per person ASAP. If you cancel and the trip does not sell out you will lose min \$60 max \$250. (make checks payable to Scott Banko, trip coordinator) 2435 Fenwick Rd University Hts, OH 44118 216-321-6986 H 216-374-2630 Cell (I will be on the road Oct 24th thru Oct 30th returning back Friday Oct 31st)

WINTER ADVENTURE EXPO

The event was a success! Lewis Ski Club had a booth at the Adventure expo and spent time meeting various people interested in

pursuing the active lifestyle of winter adventures we all enjoy doing.

The festivities at the Expo include the **33rd** annual Cleveland Metro Ski Council (CMSC) **Ski Queen Pageant**. NASA Lewis's Ski Queen—Victoria Briscoe finished as one of the top 7 finalists!

The pageant focused on women and their involvement in skiing and snowboarding. Representing 25 ski clubs that comprise CMSC they were

judged on technical knowledge, over 30+ terms!!, poise, charm, personality and involvement in their ski club.

"The best part of the pageant was meeting all the wonderful contestants and committee members (pictured above)" says Lewis Ski Queen, Victoria.

Christine Curati of the Fagowees took home the crown with Brian Currutt, Olympian, announcing!

Christine will be visiting our January NASA Lewis Ski Club Meeting at BW3's, so don't miss it! You can meet the rest of the 2003-2004 Ski Queens at the CMSC Holiday Party at Joe's Bar at Boston Mills Ski Area on Dec. 29th!

After the show, expo-goers were invited to stay for **the CMSC After-Party** with music and dancing. That didn't end till the wee hours (3AM)—Kristen & Victoria (Both NASA Ski Queens)

"Dancing at CMSC After-Party!"

OTHER ACTIVITIES--

Our final "summer" activity was coordinated by Tom Palisin as he led almost **40** warriors into battle.

The **paint balls** were flying and everyone survived to "fight" another day. Please let Tom know if you want to go again!

Talk has started about an ice skating outing; let me know your ideas. We have time to fit in other non-skiing activities this winter. Also, it is never too early to start planning activities for next year.

The success of our camping/canoeing, minor league baseball and white water rafting

outings has brought increased interest in repeating these events.

If you have any ideas for other activities before the snow starts to fall or would like to start working on plans for next summer, please contact me.

Ray of Sunshine...

The **winner** at our last Monthly Meeting at BW3's

1-day ski trip – Jerry Hill!

Thereby we can give out **Rays of Sunshine!** You can reach her at Nancy.D.Piltch@grc.nasa.gov, 3-3637.

You missed OUT if you didn't go to the **Warren Miller Movie-Journey!** It was held Nov. 15 at the Akron Civic Theater. It was incredible!!

SKI TIPS for 2003-2004

SEASON: Early season skiing is exciting. Everyone is pumped and eager to get back on the slopes. It's time to try out that new equipment, and master those moves you saw in this year's Warren Miller movie. Remember the skier, I believe in Alaska, saying something to the effect of..."when I leave my hotel room I look back and hope I'll see it again

tonight!" Keep that in mind and limit your new tricks...on the slopes and rails.

The snowflakes are falling (they really are falling today) and it seems that winter has arrived. It's only a matter of days till we travel to the hills and let the lifts carry us to the top to make our first turns of the season. I think I hear the snow guns going right now!

To make your early skiing/riding experience more enjoyable, here are a few tips that always help me to get a good start.

1. **Make a list for your first day.**

Skis/Board, boots, poles, helmet, goggles, gloves, jacket, Pass or Ticket, lunch/snacks, \$\$\$, camera, friends. Cell phone—love 'em or hate 'em, they can save lives in the backcountry...but use them in private and keep it to a minimum. We are escaping from work! The best bet is two-way radios to keep track of your buddies, instead!

2. **Stretch and start slow.** Skiing/Riding uses muscles that lie dormant from April to November so take it easy the first day out. Doing ten non-stop moguls runs down your first day will land you

immobile on the couch guzzling Ibuprofen.

3. **Remember** it's important to slowly work your way up to your March 2003 level.
4. Check out the silver helmet I'm holding in the picture while I

was on stage at the Winter Adventure Expo. That's because my best advice is to **WEAR HELMETS!**

Plus, replace your helmets

once you've hit it hard! Just

like a bike helmet they do need replacing each time...the snow surface is still hard! And it might not show from the exterior that there is damage. Why take that risk when there is great new hi-tech helmets out there, just like the silver one I'm holding (and not because it's silver and matches).

Thanks again to Bavarian Village who sponsored this great outfit for the Ski Queen Pageant!

Think Snow!
