February, 2003 --- NASA Lewis Ski Club

THE ELONEN-WRIGHT STUFF

February's ski club meeting has a cool program planned. Come on out to the meeting and hear Bill Pierce tell us about his experiences as a volunteer at the 2002 Olympic Games held in Salt Lake City just one year ago. Bill will tell us about the training (intense!), the security (remember, it was only 5 months after the Sept. 11 attack), the fun and the events he saw. He's also bringing his official Olympic ski suit and lots of photos to share. Cool stuff! Be there! (The club has also purchased an official USA Ski Team baseball cap that we'll be raffling off along with the usual one-day ski trip. So come to the meeting and show your support for our Olympic Ski Teams!)

Speaking of showing support, thanks to all of you on email that voted (pro and con) to the potential expenditure of up to \$250 to help our one-day trips actually happen. I will keep you posted on how much and for which trips any money is used. Tom Vannuyen (Holiday Valley, 1/17/03), Margaret Proctor and Paul Antzak (P-n-P/Wilderness Lodge, 1/20/03) worked hard to pull together the best trips they could.

Both trips were just a bit over the \$100 loss mark at the time of the email requesting the approval to spend up to \$250 – in other words, approve the running of the trip even though it might lose that much money. (\$100 is the upper limit that the board can approve to spend. Anything over that must be approved by a majority of a quorum of the membership at a meeting.)

We've never before used email for any money expenditure approval and we have no plans to use that again. I felt that this was an emergency type of situation. I did take a liberal and "electronic-centric" (if you will!) interpretation

Meeting & Membership News

Board Meeting The February board meeting will be held February 20 at a place to be determined. Starting time will be 5:30. Watch the website for details.

General Membership Meeting Tuesday, February 4, at BW3 on Center Ridge Road in Rocky River. Social hour starts at 5 and the business meeting starts at 6pm. Raffle winner gets a free one-day trip. BW3 is just north of the Westgate Mall on Center Ridge Road.

The Activity Coordinator's Guide review committee will meet before the February club meeting at the BW3 at 4:30pm.

of the constitutional guidelines for expenditure of funds. The rationale used was:

Out of our almost 200 members, 140 use email.

So, if we can get over 70 (I asked for 75) of those email members to approve, then we're OK.

75 votes to OK the money is way more than the number of people that show up to meetings, let alone be a majority of the people at a meeting.

I do understand that all of our non-email members were left TOTALLY out of this loop. I'm sorry. I wanted to get an answer (to cancel or not to cancel) for the trip coordinators as quickly and as fairly as I could. This was the best plan I could come up with at the time. I also understand that only those who went on these two trips benefited directly. (Please understand that was more than fifty of our members between the two trips.) **Feel free to blast me at the meeting!** I can take it! This topic will be on the agenda and open for discussion. I'd love to hear your ideas for better ways to operate.

And, don't forget to take a moment at the next club meeting to tell Al Linne, Margaret Proctor, Tony Shook, me (the 3-VPs and the pres) and/or Annie Easley (Chair of the Trip Planning Committee) why weekend trips just don't seem to work out for this club. We need to know why. Give us your thoughts so that we can better plan trips for the coming years. Thanks in advance.

Skiingly yours,

Linda Elonen-Wright

Missed the last Meeting?

Winner of the one-day ski trip was was **Brian Gesing!**

Ed from Bavarian Village – Ed spoke about the levels of ski boots qualities using various Technica boots as examples. He told us what to look for when buying boots. He also talked about how a boot's quality and fit can impact how well we ski.

Ed generously donated a pair of custom boot in-soles as a raffle prize at the meeting. Winner was **Don Porochonski!**

Activities

Sandi Mauer invited all hockey enthusiasts and anyone who wanted to have some fun to a Cleveland Barons game on January 24th. Some of the ticket proceeds went to support Greater Cleveland Women's Hockey programs. Sandi also participated in a hockey exhibition following the game.

Fellow Alpine Enthusiasts ...

Our season is well under way and the trips are still going, even with lower than normal turn out. Snow has fallen all over the place, which helped to make every trip a great time. So far the conditions for the trips have been excellent. We have had three trips go and the initial reports are that they had a great time. Ok, one return bus ride was a little chilly, but other than that all was well. A special thanks for the email vote which approved the trips to continue even with a loss. You will want to be at the next meeting, because this issue will most likely be discussed.

Ed gave us a great offer!!!! For the remainder of this ski season, Bavarian Village is offering Lewis Ski Club members custom boot insoles for just \$89 (regular price is \$149). Just bring in your boots and tell them you are a NASA Lewis ski club member. Bring your membership card.

Thanks to Ed for speaking at our meeting, for the prize donation and the great offer!

Circle Tuesday, August 5th on your new 2003 calendar. We have again reserved the W.J. Green Lodge in the Cleveland Metroparks for our summer picnic. If there are any ideas for activities that anyone would like to get the club involved with, please contact me.

Tony Shook

Writing this note to you all, it just occurred to me that the season is half over. Go figure, it feels like it just started. We have only three day-trips left. So, if you plan on getting some skiing in, you better sign up before the season is gone. Our next planned day trips are the Ski Denton, on January 31st, HoliMont on February 14th, and our last day trip to Holiday Valley on February 28th.

Hope to see you on the slopes, and do not hesitate to sign up for your next trip before the season is gone..

NORDIC EVENTS

By the time you are reading this I expect that five Lewis Ski Club members will have had a great day of skiing at the Wilderness Lodge in Watsburg, PA. Talk to Nancy Piltch, Tom Haag, Mark Siebert, Sue Stanton or myself to get

the full story. I can't predict as well the outcome of the Ohio Nordic Flurry race on January 25th, but I'm sure our fearless leader crossed the finish line with graceful strides and a smile on her face!

Since the Lake Placid trip was cancelled, some of us ladies decided to venture north to Hardwood Hills in Ontario. It's about an hour north of Toronto. What a great place to ski! Nicely groomed trails....LOTS of SNOW...fun hills (Huey, Dewey, and Louie)...YEE-HAW!! This place is for Nordic skiers. They even have a waxing building with irons! If you want to know more, give me a call.

In February, we have two Sunday afternoon outings planned for Chapin Forest and one Saturday morning outing

for North Chagrin Reservation. See the details below. Both Art Roscoe trips have been cancelled.

If you are interested in going on an impromptu x-country ski outing after work, let me know. I'll give you 24 hour notice. If we meet at 4 p.m. we'll have about an hour to ski before it gets too dark. We'll just ski in the Metroparks near NASA...probably meet at the Rocky River Interpretive Center parking lot... or maybe Mastic Woods.

Racing Report - News too fast to print

Well, we're off to a flying start on the 2003 racing season. The first four races of the CMSC weekend series have been completed with the team presenting a more than respectable showing.

Holiday Valley

Everyone seemed to be shaking off the aftereffects of celebrating the Buckeyes win over Miami, but the GS on Saturday got the season started.

Saturday's GS results, including the snowboard GS, were:

Colin Bidwell	qualified into CCM
Mark Hyatt	5th in BM and 8th in CSB
Lisa Lambert	3rd in BW
Bruce Frankenfield	DQ in CCM, but 7th in CSB
Elise Frankenfield	3rd in CCVW, but DQ'd because she missed her work assignment!
Kevin Spencer	4th in CSB

Your humble race chair shares the responsibility for **Elise's** misfortune. I looked at the work sheet, but missed her name due my unfamiliarity with her new appellation. I thought **Bruce** had to work!

Oh, well, the team still managed the amass 35 points. Unfortunately, **Lisa** took a hard fall in the finish area on her second run and had to withdraw from Sunday's racing. Weather wise, Sunday was another great day, even with the eventual disappointment of the Browns loss. I guess we Ohio football fans just can't stand too much prosperity. The ski team had just two finishers out of four starters, as the mysteries of slalom gates had us guessing.

Sunday's Slalom results were:

Mark Hyatt	DQ'd in BM
Bruce Frankenfield	6th in CCM
Colin Bidwell	DQ'd in CCM
Elise Frankenfield	4rd in CCVW

The Frankenfield duo traveled to Bristol to represent the team the following weekend. Your Race Chair was scheduled to appear, but my daughter precipitated a reprioritization of activity for the weekend. Ahh, they're only young once. I'll look forward to the Big Hill Thrills at Combined. **Bruce** and **Elise** had mixed results on Saturday in the slalom, but came back strong on Sunday in the GS.

Saturday's Slalom results were:

Bruce Frankenfield	5th in CCM
--------------------	------------

Elise Frankenfield	DQ'd in CCVW
Sunday's <u>much improved</u> GS results were:	
Bruce Frankenfield	3rd in CCM, and 2nd in CSB
Elise Frankenfield	3rd in CCVW

We made the most of the extra points opportunity in the snowboard GS race.

Boston Mills

The team had their top turnout of the season (so far) last Sunday at the CMSC Boston Mills Charity Race. This year's charity was the Three Trackers of Northeast Ohio. The donation was made in honor of Don Vitullo, long time member of the Warren Ski Club, and supporter of Metro Racing. Sadly, Don passed away suddenly last summer.

Our skiers again had trouble deciphering the mysteries of slalom gates, but the snowboarders turned in an impressive performance. **Sandy Mauer** turned in the top skiers' finish, recovering from a first run mishap, to finish strong on her second run. Way to go Sandy! Bruce solidified his position in CSB with another second place finish. Celebrity freerider **Joe Roche** even made a guest appearance on the race course.

Boston Mills results, as tabulated by the CMSC Race Committee, were:

Mark Hyatt	DQ'd in BM
Lisa Lambert	7th in BW
Bruce Frankenfield	6th in CCM
John Schubert	DQ'd in CCM
Elise Frankenfield	DQ'd in CCVW
Sandy Mauer	4th in CVW
Bruce Frankenfield	2nd in CSB
Kevin Spencer	6th in CSB
Joe Roche	7th in CSB
Mark Hyatt	12th in CSB

Team total was 46 points, which put us behind Goodyear, but we're getting better. When everyone manages to stand for two runs, we'll really kick some tires! Next up, Kissing Bridge followed by Swain, then the Big One -- Bristol Combined. Hope everyone is enjoying the great snow

we've had so far this season. If not, you're really missing out! See you on the slopes.

We'll have the results of the Kissing Bridge 1, Swain 1, and Combined races in the March newsletter. You will also see some results from our Nordic ski racing enthusiasts, as they are preparing to represent the Club in the Nordic

Flurry. Look for details under the Nordic report. As always, give me a call if you're thinking you might like to give alpine racing a try, and I'll steer you in the right direction.

Your Humble Race Chair,

-- Mark Hyatt

We also hope for a speedy recovery for **Lisa Ferenc** who pulled a muscle in her neck/shoulder on the recent Holimont trip.

Holiday Valley I Trip Report

It was cold the day we left for Holiday Valley on Friday Jan 17. I got a look on the web and saw that the high temp for HV was to be 9 degree F. We left NASA promptly at 6. Our bus driver made great time and got to the HV around 10. In fact, we were the 1st bus there so we got parking very close to the lodge. The temperature on the thermometer outside HV showed 13 degree F. Major Heat Wave !!!!!

After handing out all the lift tickets and rental forms, everyone was ready to go. The conditions of the

slopes were excellent. We had lots and lots of soft packed snow. I can't vouch for everyone, but after 2 or 3 runs, we went in for hot cocoa and warm up before taking the slopes again. The scenery on the trees on the Tanebaum lift was gorgeous.

We boarded the bus at 4:30pm and headed into Ellicottville for dinner. We got back on the bus at 7pm saw Star wars 2: Attack of the Clones and Batman Returns. We had a quiet ride on the trip home.

**** 65-69 years old = \$37; 70+ years old = \$27****

Ellicottville ski resorts?????????

Maybe it's the time to try a new and different ski destination.
**Join the fun on Lewis Ski Club's first ever trip to Ski Denton

Ski area description. The Ski Denton is located near Coudersport, Pennsylvania (county population of 18,000), about 15 miles south of the New York border and in the heart of Northern Pennsylvania's heavy snow country.

Ski Denton is best known for its "park like" setting and uncrowded slopes; in fact the ski resort is actually a PA state park. Ski Denton is similar in size and character to New York's Swain Ski Center, with a vertical drop of 650 feet, but just a slightly longer travel distance than our usual one-day ski destinations. The Ski Denton allows both skiing and snowboarding on a variety of trails, from gentle beginner slopes, to trails that are advertised as the "Steepest in the East." Ski Denton has a full service dining lodge, ski shop, rental shop and ski school.

Package includes: Round-trip bus transportation from Cleveland to the Ski Denton, including an evening stop in Olean, NY, for dinner on your own. We will also provide breakfast snacks and juice, plus post-skiing beverages on the bus. If you need to rent equipment or desire lessons, there are additional charges (*at a 20% group discount*).
