NASki Tips

May, 2003 --- NASA Lewis Ski Club

Welcome All Rascals! "Your officers have been elected!"

Charlie Snyder, our past publicity officer and newsletter editor, grabbed our attention with an amusing photo in April's newsletter of a cat marching nonchalantly by numerous, hungry-looking Royal Police guard dogs. He asked that all "Rascals" come out and put something back into the club by running for office!

Thanks to Charlie's words and the motivating picture plus, the hard work from our past officers and election committee our club did find success. Both old and new members were inspired to run for office! Here is the New Roll Call for our Lewis Ski Club "Rascals" effective May 1st, 2003.

Note from the President: The Activity Guide Review Committee is listed here for your information. I'm NOT offering to let any of them off of the committee because we're still working on it! So, as far as I'm concerned, they're stuck! The inactivity of work and progress is due entirely to the limited time I have to work on this. It's a low priority, frankly. I will try to get moving on all of my action items for this over the summer. If I don't, ask me about it and apply some pressure!

THE ELONEN-WRIGHT STUFF

Dear Ski Club Members,

Have you volunteered, yet?!

Lee Lam has! He has volunteered to be our new web curator. THANK YOU, LEE! I'm

looking forward to you. And if any of members catch before she

working with you club **Teresa Monaco** transfers to

NASA headquarters in DC, please wish her well and thank her for the great job she did as our *old* web curator!

The nominating committee for this year was **Annie Easley, Karen Fashimpaur and Tom Jones**. They did a great job of digging up candidates for each office. (It's a dirty job, and someone has to do it.) Thanks, Annie, Karen and Tom! And a special thanks to Outgoing Officers **Margaret Proctor, Charlie Snyder and Bruce Frankenfield**.

At the April club meeting, **Tom Wallett**, our Social Director, pulled together another trivia contest.

Roger Meredith won the "2 *movie passes!*

" Congrats, attention to all surrounding

Having a VP for Activities is really starting to pay off. Check out the newsletter for the summer schedule that **Tony Shook** is pulling together for the club. Canoeing, baseball, golf, gambling... Sounds like fun in the sun!

And don't forget our club's summer picnic. See Tony soon to **SIGN UP** to help on one of the **PICNIC COMMITTEES**. Our

picnic last year was a HUGE success and we're expecting it to be even bigger and better this year. This ski club is getting **ENERGIZED!!!!**

On **May, 10th**, **CMSC** will be hosting their annual **Travel Seminar**. It is a day of information for trip planners and a chance to meet with representative from many resort destinations. Our club will be sponsoring a small group (each person will be paying their own way) since you must be a ski club member to attend.

If you are interested in planning a trip for next year, please **contact** either **Annie Easley**, our trip planning committee chair person, **or myself** to get on the list for the seminar. The seminar will last all day and Lunch is included in the fee.

Sometime, then in **June**, we will have our (Lewis Ski Club's) **trip planning committee** meeting to go over all of the proposals for ski trips next year and will make our decisions on the best deals for the club. If you have ideas please submit them. Stay tuned for more & see you at the **JUNE CLUB MEETING!** **PHOTO CONTEST** of best ski trip pictures. Bring your favorite shots to the JUNE club meeting to WIN a PRIZE!!

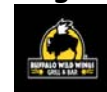

Skiingly yours,

Alpine News

Fellow Alpine Enthusiasts:

It is the time for planning the next ski season.

If you have any suggestions please let myself, any of the officers, or the trip planning committee chair, **Annie Easley**, know.

We do not have to keep going to the same places. If you would like to try a different place where the club has not recently been to, then let

us know. I would also like to know if you were happy with the places we were going. We just need to know what you would like to do.

Now that you put your skis away, start thinking about next year, and enjoy some summer club fun.

May your edges never see rust.

-- Al Linne

The Skinny on Nordic

In honor of becoming the new Lewis Nordic V.P., I thought I would describe who the members chose to fill this position (me).

I was first a member of the Lewis Ski Club around 1989. After moving to Ohio, I found that this club was the only practical way to go on ski trips outside of the Cleveland area. I could go on trips to resorts I never heard of, and the trip coordinator would figure out all of the detailed arrangements.

I first tried cross country skiing a few years later, and was pleased by the fact that you don't have to travel far in order to ski well groomed trails around Cleveland. I learned to ski

at Chapin Forrest, and I have returned there many times since. I have also gone on more distant club trips to Lake Placid, Art Roscoe, and Wilderness Lodge.

My first position of responsibility within the Lewis Ski Club was that of treasurer. I served as treasurer for 3 years under the **Gene Addy** administration of the mid 1990's. Then in 2000, I was asked to serve as Publicity Director under the Tom Palisin administration. That lasted 1.5 years.

I would like to encourage all of the members to come forward with new ideas for club events. We need volunteers to organize ski trips, help out with the summer picnic, and think up new activities for the club to try.

The Skinny on Nordic--Continued

If you know of an exciting place to cross country ski, please contact me and check out possibilities of running a club event at that location. Becoming involved with

club planning not only helps you advocate your own favorite ideas, but it is a great way to meet new and enthusiastic people.

-- Tom Haag, Nordic V.P

Rays of Sunshine...

Hello Skiers & Boarders!

We have wonderful Ray of Sunshine News to share this month for three of our members!

Our 1st Ray of Sunshine News concerns our fellow ski club member **Lori Manthey**. Please tell her *Congratulations*, for she was selected as the NASA Glenn

Research Center Liaison Officer to the Office of the Director. The UEET/TBCC program will miss her. Lori is also celebrating a Birthday this May!

As for the other 2 ski club members who are in the Ray of Sunshine **Klaus Gumto and Gail Kovacs** - JUST GOT MARRIED! Klaus is one of

the founding members of the NASA Lewis Ski Club. They were married in a ski setting at Copper

Mountain in Colorado. This picture is not their wedding, but it is taken from Copper Mtn. Chapel on the ski hill! This newsletter writer wonders if their ceremony looked similar!

Please don't forget to let Nancy Piltch know of significant events in the lives of our club members so we can give out Rays of Sunshine!

You can reach her at Nancy.D.Piltch@grc.nasa.gov, or 216-433-3637

Morzine, France & Barcelona, Spain Trip Report Postponed till Next Month!

Did you hear about the 30 + people who ventured away from Cleveland and went to Europe for Skiing, Dinning and Touring late this spring?

It is true! The Lewis Ski Club sent representatives to Morzine,

France to ski the French Alps and sightsee.

Plus, to make the rest of us truly regret not signing up they added a visit to Barcelona, Spain!

Sounds like a great trip report to read...right?

Well, you'll have to wait for the real scoop in the JUNE Newsletter. Annie Easley, trip coordinator extraordinary, or as

some call her, "Mom!" will be writing a terrific trip report for all of us to read in next month's newsletter.

The claim on why no official report this month is haven't truly from Europe, group hasn't their get-the picture

that they returned since their completed participant together, party!

To tease us until June, I got my hands on some photos from Colin Bidwell, one of the lucky participants who did sign up. I heard that they skied so much that they had to eat all the rich food

available as shown by these deserts to maintain their skier/tourist strength!

The trip report next month will include different photos, so make sure to check out the June Newsletter!

Racing News, Too Fast to Print!

In case you missed the banquet, as I did, here is the CMSC Weekend Race Series schedule for next year. If you plan that far ahead, more power to you! Notice the one big change of an added race at Holiday Valley. Maybe our Club will be inspired to go racing at one of it's favorite destinations

Snowboard events will be held in conjunction with GS & Duals races, except at Combined. Start saving your pennies, and planning your leave! As an incentive (sort of), if you come out racing next year, you'll get to see me in my new speed suit!

My crash at HoliMont kept me from it's debut at Combined this year. It is something to look forward to! If you have anxiety over the arrival of bathing suit weather, you know how I'll feel!

Also, a special meeting of the the CMSC Race Committee and the CMSC Club's Race Chairs was held on Monday, April 21. The purpose of the meeting was to discuss the proposed elimination of Vet classes from CMSC

racing. Due to overwhelming feedback form the Club's, their Race Chairs, and Racers, the Committee has stated they will not follow through with their proposal.

They will be considering the multitude of alternative changes suggested by the Club's and Race Chairs. Stay tuned to this space for further updates.
