One of my very, absolute favorite things is supporting the CMSC Ski Queen competition. It is that time of year to find a new queen candidate for this year!!! The Winter Adventure Expo (old Ski Fair) will be held this year in No-

vember. Exact dates will be announced later. Last year, our queen candidate was Victoria Briscoe. All interested candidates, please see Victoria for the scoop on being a candidate. Or, see Karen Fashimpaur and/or Elise Allen-Franken-

field. More on this in future issues.

See YOU at the PICNIC!

Skiingly yours,  
Linda Elonen-Wright

## Nordic News

The proposed five night trip to Quebec City is taking shape, and would offer excellent alpine skiing, as well as world class Nordic trails. Keep a look-out for this trip in the Newsletter, because it will likely fill up fast once it is formally announced. I also would like to hitch-hike a Nordic outing onto one of our Day Trips to Western New York. Please let me know if you are inter-

ested in supporting such an event. The Club will be negotiating with bus companies for the entire '04 - '05 ski season over the next few months. If we are going to have an out-of-state Nordic trip, we have to decide before the bus contract is signed. It will be very difficult to initiate any new bus trips after August. I am looking for someone who can work with an Alpine trip coordinator to carry out a joint Nordic/Alpine ski trip. Options include

Wilderness Lodge, Art Roscoe, and even Holiday Valley. Nordic ski outings are usually easy to run, and a Joint Trip would be even easier. Telephone me at (216)977-7423, or [Thomas.W.Haag@grc.nasa.gov](mailto:Thomas.W.Haag@grc.nasa.gov) if you are interested in helping, or if you just want to ski.
