I hope everyone is having a great summer. You certainly can't complain about the weather. We have had a good combination of rain and sun which keeps the grass growing but not so much that it needs to be mowed every week. We also haven't had to run the air conditioners full tilt. I just returned from a visit to Fort Worth where the temperature was 110 F so I don't want to hear any complaints about it being hot. Well enough about the weather.

I think Barb Cool and Cheryl Alden have been doing a great job with a diverse array of summer activities. A bunch of us had wings at Quaker Steak and Lube and saw the new Pirates of the Caribbean movie. The plan was to go bike riding but due to a little flooding in Valley View we ended up drinking beer and taking in a movie. Last Friday I ended up on the Good Time III with Barb Cool and a bunch of her friends. I know lots of things about the banking industry now. The "Rush Hour" cruise included a DJ, beer and a tour of the inner harbor and a part of the Cuyahoga River. It was fun. There was dancing (except to those horrible Hang on Sloopy and It's Raining Men songs) and all sorts of contests (which nobody in our group won) and it was a nice evening to take in the Harbor and River scenery. I also got to meet our NASA Ski Queen candidate which for some reason the committee has been keeping a secret. She is a snowboarder but she does drink beer so I am sure she'll make a fine candidate.

As far as upcoming events we have the Picnic and Whitewater Rafting in August and winter trips planned for Lake Tahoe, Park City and Bristol so get your checkbooks out and get signed up. That's all for now. See you at the Picnic !

**Were looking for people to come forward with ideas and/or willingness to be a contact person for an event. It's real easy to do!** You just list an event, date and your name as contact person for that event and that's it!! (One great event would be canoeing at Mohican!!!)

## **Dinner and Movie Night, July 11**

Biking the Towpath was cancelled, due to predicted thunderstorms. Several of us met at Quaker Steak and Lube for dinner. Afterwards, most of the group went to see "Pirates of the Caribbean: Dead Man's Chest." The movie showed stunning island scenery and characters that would win any Halloween costume contest. It was very well done.

## **Wine Tasting at Jerry's Wine Center on July 15th**

Eight of us met at Jerry's Wine Center in Broadview Hts. to enjoy five selections of New Zealand wines along with an assortment of cheese, crackers and other snacks. I was pleased to meet some new faces along with familiar ones. The store was fairly quiet being a Saturday night. Friday nights are usually very lively. After the tasting, six of us walked across parking lot to a delicious dinner on the patio of Cozumel's Mexican Restaurant. Ray and I were surprised when our Dos Equis' were served. They were 32 ozs. each! Somehow we managed to finish them. The weather couldn't have been more pleasant and a good time was had by all.

## **Happy Hour on the Goodtime III Friday, July 21st.**

Colin Bidwell, Jennifer Cardinal, Barb Cool and Therese Telzrow joined up with several Ohio Savings Bank employees and friends for a beautiful summer evening on the Goodtime III's Happy Hour Cruise. Therese Corrigan would have been there but her valiant attempt was unsuccessful. Try as she did, her car just would not cooperate.

At 6 pm we set sail from Cleveland's E 9th St. pier and headed toward and down the Cuyahoga River. Past Shooters, the Plain Dealer Pavilion, and Tower City Amphitheatre. A member of our party, Cindy, pointed out the boat dock where her rowing team is based. Then back again and out on to the lake.

While the boat sailed away, we got out on the dance floor and had some fun! And for the last dance, we all "Banged the Drum" to Barb Cool's favorite artist, Todd Rundgren.

Afterwards we headed to Hornblowers for good food and conversation. Cindy, a skier and potential Lewis Ski Club member, just moved from New Orleans and had us spellbound with her stories about Katrina and all the other storms she survived. We are so lucky to live in Cleveland! Especially when you can spend a wonderful evening out on the lake. A great time was had by all!

SIGNING UP IS  
JUN 30th!!!**

More than 120,000 people raft the Lower New River each year in Southern West Virginia.
