### January Meeting:

We will be raffling another  
one day bus trip !! ☺

T T T T T

Hello Lewis Ski Club!

Been skiing yet? I got out last week and the rust fell off pretty quickly.

We've got some great trips coming up:

- Holimont, Friday, Jan 20
- Seven Springs, Saturday, Feb 4
- Canaan Valley, the weekend of Feb 17 (three day trip)
- Bristol, the weekend of Feb 24 (two day trip)
- Holiday Valley, Friday, Mar 3
- Cockaigne, Saturday, Mar 11
- Morzine and Amsterdam, the week of Mar 17 (11 day trip)

And of course we've got the trip to Vail the week of January 28<sup>th</sup> which is already sold out.

For you Nordic folk, the Nordic Flurry Race at Chapin Forest is coming up on Sun, Jan 29. This is such an important event that we've moved the Super Bowl til the next week so you have no excuses not to race. The Enduro Race is on Sunday, Feb 26. Not into Nordic yet? Learn to ski at Chapin Forest, Jan 14 (see the flier for more information.)

We're raffling off another one day ski trip at the meeting. See you there.

At the February club meeting, we'll be forming a Constitution Review Committee and a Nomination Committee. The Constitution Review Committee will review the Constitution and propose amendments at the March meeting for a vote at the April meeting. The Nomination Committee will solicit nominations for the Executive Board. Those nominees will be voted on at the April meeting also. Give some thought over this month about serving on one of these committees or running for a position on the Executive Board.

Your President,  
Tim

## Rays of Sunshine

Longtime Ski Club member, **Gloria O'Donnell**, is retiring from NASA!

Gloria has been a valued and treasured member of the NASA Lewis Ski Club since the early years of the club. She has served as a club officer and run many trips and activities for the club. We have benefited greatly from her enthusiasm as well as her keen organizational skills. Anyone who has skied with Gloria knows her elegance on the dance floor carries over beautifully to the ski slopes. While NASA is losing an esteemed employee, we hope that the ski club will enjoy Gloria's continued involvement in club activities.

A luncheon is being held in Gloria's honor on **January 18, 2006** at the **100th Bomb Group**

on Brookpark Road from 11:30am - 1:30pm. Cost is \$15.00. The luncheon will be followed by a reception at **NASA's Administration Building Auditorium** from 2:00pm - 4:00pm. Cost for this event is \$5.00. Please make your reservations by contacting **Toni Rusnak** at **216-433-2955** or **Hugh Gray** at **216-433-3230** by **January 11, 2006**.

**CONGRATULATIONS** to our December meeting raffle winners. Christine Taver won a \$25 gift certificate and Judy Traxler won a ski vest. Both were donated by Little Mountain Limited. Don Ginley won the one-day bus trip.

## Alpine Racing Update

Well, I've finally gotten the time to write a long over due article, to bring the Club up to date on the upcoming (underway, by the time you read this) race season. First the sales pitch. If you've never tried racing, give it some thought. It's a great way to hone your skiing or snowboarding skills, meet new people, and possibly win fabulous trophies and valuable prizes! If you've ever run a NASTAR course, you can do a CMSC GS. Slalom is a little more technical, but we can help you get through the gates there too. For a good time, have Barb Cool help you read the flushes! Sorry, Barb, I know you'll get them this year! There are several options for racing competition in CMSC. First, there's the weekend race series. The complete schedule is available at [www.skicleveland.com](http://www.skicleveland.com), just follow the link to Adult Racing. The weekend series is a combination of team and individual competition. Competitors are divided into classes by sex and ability level, so you race against folks of the same skill level. You can also elect to compete in the Vet classes, if you are of a certain level of "maturity". There's even a Senior Vet class for our most mature men and women. There are 14 races on the schedule, but don't think you are committing to all 14. You can race as many or as few as your schedule and checkbook allow. You do have to compete in at least two, after qualifying, to be eligible for Combined. A word on qualifying. This does not imply determining if you are qualified (skilled enough) to race. It does mean having to complete two runs, either at the Qualifier (more on that in a moment) or at a scheduled race, in order to place you in the appropriate classification for competition. CMSC has competitors from first time skiers all the way up to former junior and national amateur racers. The point is to place you in a class with people of the same skill level as you, for fair and fun competition.

Now for the details on the qualifier and first few races. The Qualifier will be held at Boston Mills on Wednesday, December 28. The backup date is Monday, January 2. There is no pre-registration required. Registration is at Boston Mills, in the main lodge, between 6 and 7pm, the day of the event. The fee is \$7. It's first come, first ski. Race start time is 7:30pm, and will be in bib number order. The course will be a modified GS, just like any NASTAR. If you want to give racing a try, I highly recommend you come out on the 28th. It's local, it's cheap, and it will get you ready for your first weekend race.

The rest of January has GS and Slalom at Holiday Valley on Jan. 7th and 8th. A slalom and GS follow at Bristol Mtn. on the 21st and 22nd. The month wraps up with slaloms at Kissing Bridge and Peek n' Peak on the 28th and 29th. Snowboard races occur on GS days for HV and Bristol, and on both days at KB and PnP. Pre-registration is recommended, to save \$5. Notify me by Wednesday of the week before you want to race. Bib pickup and on-site registration are from 8 to 9am at the race site, and races begin at 10am. Your start time will vary depending on what Group you race in.

There's also the Wednesday Night Race Series, at Boston Mills. This is an individual based competitive series, again by classified by skill level. Information is available on the CMSC website. There's also the children's racing program, which runs races at select locations during the season, coinciding with the weekend race series events. Kids of CMSC club

members ages 4 to 17 can compete on skis or snowboard. Again, visit the CMSC website and follow the link to Kids Racing for more details.

Looking ahead, I hope everyone will think about coming out to the reestablished local race of the year, at Boston Mills, on February 5th. Even if you decide not to try your hand at running the gates, there is always a good turn out and lots of fun at this race. Best of all, it's in our backyard, and you'll be home in time to watch the Super Bowl. Or just the commercials! See you on the slopes, and in the gates!

Mark
