### January BW-3 Meeting:

**Since the 1st Tuesday in January is New Year's Day, the January BW-3 meeting will be held Tuesday, January 8.**

### President's message...

Fall events are in full-swing as we continue to roll toward the ski season. Activities V.P. Therese Telzrow continues to head up ski conditioning activities for the club as she coordinates the transition from in-line skates to ice skates (see the activities section for details), while Bernadette Kan led the club on a beautiful fall hike in the CVNP on Oct 20.

Other recent events include the Boston Mills Open House and the Kissing Bridge Cleveland Party at the Arcade & Hyatt downtown. The CMSC Ski Queen Pageant is Sat., Nov. 3 at Ampol Hall and the new Warren Miller movie will again be at the Akron Civic Theatre on Sat., Nov. 17. Therese Telzrow and NASA Ski Queen Barb Baldizzi are selling tickets for the Queen Pageant for \$25. Tickets will also be available at the door for \$30. Let's have a great turnout from the club to support Barb! Karen Fashimpaur has a limited number of discounted tickets for the Warren Miller movie. She'll be selling them at the November meeting for \$10.

I want to thank all the club members who signed up and came out to help promote the club at the Boston Mills Open House. Many people came to the Open House and learned about our club. We sold 60 Pick-a-Day packages through the club, so three of those skiers will be getting complimentary Pick-a-Day passes this season. The three complimentary passes will be raffled off among those who signed up for Pick-a-Days at the November meeting.

Also, "Thank you!" goes out to John Buchanan from Geiger's who came to our October meeting on very short notice and gave an informative talk on all the new technology going into the new Head skis this year. Unfortunately, the dietician, Judy Zangmeister, had to cancel at the last minute. We'll try to get her to come to another meeting in the future.

The November meeting promises to be a good one. Rick Cunningham, Director of the Ski School at Alpine Valley, will be there to discuss skiing skills, something we all can improve upon, whether we're willing to admit it or not! Also, Kathleen Moran will again be selling tickets for the one-day ski trip raffle. Barb Baldizzi won the trip at the October meeting and Therese Telzrow won a \$25 gift certificate from Dick's.

Both our week-long trips sold out weeks ago and have started waiting lists. We're starting to advertise our one-day trips in this newsletter, so, sign up early or you'll be left out!

Finally, if you haven't already done it, **RENEW YOUR MEMBERSHIP NOW!** Renewal fees go up after Nov. 15!

See you at the meeting!

Gene

## Nordic News

By Nancy Piltch

The Ski Denton trip is taking shape. Nordic skiers can ski on the Susquehannock Trail System accessible from Denton Mountain. Come prepared to ski on ungroomed trails (not suitable for skating), and remember how much fun it can be to explore the winter forest on skis.

If you have children interested in Nordic skiing, you might consider enrolling them in the Hilltoppers youth development program. See <http://www.ohionordic.org/hilltoppers/index.htm> for details.

Anyone interested in racing should monitor the Ohio Nordics web site, <http://www.ohionordic.org/index.html> for information on weekly races, the annual Nordic Flurry, and the Michigan Cup race series.

## **Recap of Ledges Hike in Cuyahoga Valley National Park Saturday October 20th**

by Bernadette Kan

The Cuyahoga Valley in Ohio has beautiful scenery and glacial formations. Seven hardy skier/hikers, John Walker, Fred Merchant, Thomas Kan, Steve Stevenson, Don Kanta, Jim Slifka and I took to the trail to check out the views on a Saturday afternoon. The leaves were finally turning colors, the sky was brilliant blue, and the wind kept us cool. We explored the ledges, caves and the rock carvings. The experienced cross country skiers thought the Boston Run trail looks as though it would be a good trail with snow. It was quite a workout, about 6.5 miles, and a great way to keep up our conditioning routines for the ski season.

My thanks to Fred for trying to teach us how to juggle!
