### January Speaker:

**Dr. Judith Gentner, DC will be at the January meeting. Dr. Gentner is a Chiropractor & will be discussing good health & tips for your back.**

### January BW-3 Meeting:

**Since the 1st Tuesday in January is New Year's Day, the January BW-3 meeting will be held Tuesday, January 8.**

### President's Message...

Happy New Year, everyone! Ski season is HERE! As a New Year's resolution, why don't you set a goal for a minimum number of ski-days this year? What's good for you - 5? 10? 20? More? In the everyday hustle and bustle in which we all live, it can be very easy to keep putting off that next day of skiing. Before you know it, the end of the ski season comes and you've missed out. By setting a goal, it makes it easier to plan ski-days into your calendar and reinforces your commitment to follow through. It's really all about getting the most out of life and enjoying it to the fullest! You owe it to yourself!

Our White Elephant Gift Exchange at the December meeting was a big success again this year. As always there were some great gifts and some not-so-great ones, but the fun really got rolling when the stealing began. Jan Neumann kept selecting gifts that other people wanted. So, she was the primary victim-of-crime; until SHE starting stealing stuff back! Thanks for being a great sport, Jan! I also want to thank Linda Elonen-Wright for a great job MC'ing the event and Kathleen Moran for bringing an extra gift to share in the true spirit of the season.

Other club events in December included another terrific hike led by Bernadette Kan; this time around Kendall Lake in the CVNP. Up and down hills on snow covered trails - it was a great way to get ready for the ski season. Also, Therese Telzrow has been skating at Winterhurst along with other club members. Go out and join her! (See details elsewhere in the newsletter.)

I apologize for the late distribution of the December newsletter via email. A tremendous amount of work goes into getting the newsletter out each month. Cheryl Alden, Linda Elonen-Wright, Sue Deal, and, more recently, Lisa Lambert coordinate their efforts and work diligently to see that you get all the information you need as a ski club member. They are all volunteers who receive nothing in return for their work except some satisfaction in knowing that the ski club could not function without them. Be sure to say, "Thanks!" when you see them. The next time the first week of the month rolls around and you haven't gotten a message for the newsletter, go to the club's website: [www.lewisskiclub.org](http://www.lewisskiclub.org) and check the calendar for meetings and see if the newsletter is posted. Last month's newsletter was posted a few days before we got the email notice out. If you're interested in helping out with the club in any way, please let me know.

Now, how many days are you going to ski this year? Pick out some club trips and send in your reservation!

Gene

## Kendall Lake Hike on Saturday 12/8

Lots of sunshine, snow and hills was the perfect combination for fun. Gene Addy, Therese Telzrow, Janet Kan and I (Bernadette Kan) enjoyed the trails and the workout. Fred Merchant and his dog, Angie, met up with us after they double-timed the hike to catch up with us. Some of us, especially Angie and I, were a little muddy. Note: Put the hills surrounding the lake on your list of great places to sled.

## Nordic News

by Nancy Piltch

### Ski Denton

The Ski Denton trip is on **Tuesday, February 19**, right after Presidents Day. This is a good opportunity for Nordic skiers as well; the area is surrounded by state forest land. The Susquehannock Trail System is a roughly 84-mile hiking loop with access from the ski resort. These trails are not groomed for skiing, and will probably not be trackset, so bring touring skis rather than racers. The trails are not suitable for skating. Ski rentals are available.

The trail system starts at the top of the hill. There is a trail suitable for skiing up (and back down) at the east side of the resort; this trail is not in use by Alpine skiers. At your option you may ski up, or ride the ski lift. You can buy a single pass ticket for \$5 or a regular lift ticket for the day for \$10. Once at the top, the first few miles in either direction are fairly flat, with some significant hills coming after a few miles. You must be able to ski back down the hill.

We will be stopping for brunch on the way there and will ski in the afternoon.

If you are planning to come as a Nordic skier, please let me or Bruce know, so we can provide enough trail maps for you. Email is best for me: [npiltch@earthlink.net](mailto:npiltch@earthlink.net)

### Volunteer to assist visually impaired skiers:

Volunteers are needed to assist blind or visually impaired skiers over Martin Luther King Day weekend at **Punderson State Park**. Guides are needed for **Saturday, January 20 and Sunday, January 21**. You may come for either or both days, or part of a day, and lunch will be provided. No prior guide experience is needed. If there's no snow, they will hike. If interested, let me know ([npiltch@earthlink.net](mailto:npiltch@earthlink.net)) and I'll provide more complete information.

### Local races:

The Nordic Flurry will be held **Sunday, January 27 at Chapin Forest**. There will be a 5K classic, a 10K freestyle, and a 2K juniors (under 18) race. See <http://lakemetroparks.com/programs/activities/cross-country.shtml> - races for details.

Lake Metroparks and the Ohio Nordic Ski Club have a Tuesday night sprint series at Chapin Forest. See <http://www.ohionordic.org/> for details, and check the forum site <http://www.ohionordic.org/forum/> for weather and race format updates

## Off-Snow Activities

If you'd like to volunteer your ideas or to lead an activity, call me at 216.226.6013. Therese Telzrow.

**Skating at Winterhurst, Thursday nights from 8:30 to 11:00** 14740 Lakewood Hts Blvd at the intersection of I-90 and Warren Rd.

I've gone the last 2 Thursday's. Last week, John Ballasch and his friend were there. We had a great time whipping around the rink skating "trio". His friend is interested in joining our club and going on a one day trip. Another skater was interested as well... maybe because I wore my Lewis Racing Team fleece vest?

This past Thursday I didn't see any Lewis skaters but maybe there will be more next week! I did meet up with another potential member also interested in doing one of our day trips.
