**P**resident's message... Thank you for electing me President of the Lewis Ski Club. I am honored to serve and I am looking forward to a great year! I have been associated with the Club for more than 20 years, serving as Vice President Alpine, Recorder, and Ski Queen. I have been a Trip Coordinator for many one day trips and even a week-long trip. I have been skiing for a lot of years, and I recently began snowboarding. Though I have been inactive in the club for the past few years, I decided to run for President because I want to give back to the club that has been a part of my life for such a long time.

I am deeply grateful to Gene Addy, who has served the club so well for so long. Thank you for your service as President and your dedication to the club over the years. We have a top-notch team of officers and trustees, and I am looking forward to working with each of them this year. We also have a great group of committee chairs and trip coordinators who are very much needed and appreciated. It takes many people, willingly volunteering their time and energy, to make this club successful.

As we enter the summer, we are planning activities for a fun off-season. Please check out the list of activities later in the newsletter. We are also planning our week-long trips and have been putting together a trip schedule for next ski season. You can look forward to more great trips this year.

Let the fun begin!

Lori

**P**ast President's message... Another great and busy year has come and gone for the club. As you know, I decided not to run for another term as president. I have truly enjoyed serving in this position, but the ebb and flow of life has given me other things that need more attention and I can no longer devote the time required for being the club's president. I am grateful for the opportunity that you gave me and I will continue to participate in club activities and trips when I can. I am truly fortunate to have been a part of such a terrific group of people. Thank you all very much.

It gives me great pleasure to know that the club will carry on with longtime member, and downright terrific person, Lori Manthey, as president. Lori's past experience in the club, her personality, and her capabilities will serve the club well. The club is very fortunate to have Lori as president.

I would like to thank current officers Jan Neuman, Janet Dubas, Eric McFarland, Therese Telzrow, Annie Easley, and Mike Kaltenstein for serving with me this past year. It has been a pleasure working with each of you. I would also like to thank outgoing club officers Larry Anderson, Nordic V.P., and Linda Elonen-Wright, trustee, for the time and effort they put in on behalf of the club. I was a pleasure working with each of you as well.

I wish to thank new officers Stacey Bagg, Alpine V.P., Teresa Monaco, Nordic V.P., and Mark Hyatt, trustee, along with Lori, for stepping up to serve the club. The club is full of talented and capable people, but, in the future, it would be good if more would do as these members have and devote some of their time to making the sure the club continues to operate smoothly.

Last, but not least, there are more than a few trip and activity leaders, committee chairs, and committee members who have devoted considerable time and effort to the club. I want each of you that I appreciate all that you have done and, on behalf of the club, I thank you very much.

Finally, I encourage all members to stay active in the club. Participate in activities and trips, come to meetings, and support the club officers. Remember, we are NOT a business providing a service for a customer; we are a group of friends pooling our efforts for the benefit of all.

Gene
