 Flyers Are Out

President's message... The summer continues to be beautiful & we are looking forward to our Picnic on August 3rd at Albion Woods - See the flyer below for details! We encourage everyone who wants to come to contact Lisa Ferenc in advance- it really helps us tell our caterer what to bring so everyone can get enough food. We are also still looking for picnic committee *volunteers* - the picnic can't happen without you, so please step forward & help us out! I can take volunteer nominations through email (staceybagg@gmail.com) or contact Lisa Ferenc.

Our *trips* committee has been very active lately, and they are selling seats for 3 week-long trips next year! We are going to *Vail*, *Aspen/Snowmass*, and *Snowbasin/Powder Mountain* next year; Be sure to contact the trip leaders to sign up for one (or two or three...) of these soon! In addition, weekend proposals to Boyne Mountain and Laurel Hills lodge have been presented, and day trips to Holimont, Holiday Valley, and Seven Springs have been planned out. It looks like we have a *LOT* of skiing ahead of us in 2011!

Speaking of skiing, it's time to find a new *ski queen!*; vote early and often for one of our Ski Queen Candidates at the August Picnic. Finally, our list of *summer* activities is included later in this newsletter - check it out! - Stacey

2011 Ski Queen Competition

Allison Wood and Sue Rojeck are going to be presented at the August picnic, and the club will have a chance to vote on who will represent us for the CMSC ski queen competition. Bring your votes out to Albion Woods so we can crown her at the picnic!

Fourth Annual Bike Brew Tour, Friday June 11th

Seven of us met at Lake Issac for the early ride on the Lake to Lake tour. It was interesting and passed through wetlands (on a boardwalk) as well Southwest General Hospital on Bagley Road. After seeing the lively crowd on the patio of Blue Snapper I started of thinking how we could incorporate this for next year. After reaching Lake Abrahm (actually it was formerly a lake but no longer) we turned around to see if we had anyone joining for the 6:30 ride. No one was there but we did catch Barb and Warren along the parkway and they joined us. At Cornerstone Brewery we were joined by Teresa (who we past earlier walking on the trail) and Ray's friend Dennis from The Shoppe on Front St.. We enjoyed some great brews inside and out on the patio. We ended up at the Brew Kettle and had an enjoyable dinner and yes more beer. Kathy's husband Bob joined us at the end after he got off of work. Overall another successful tour with a total of 12 participants. Article by Jan Neumann

Good Time III Happy Hour Cruise

Friday July 16, 2010

825 E 9th Street Pier

Downtown Cleveland by the Rock n Roll Hall and Science Center
Boarding begins at 5:30 pm and boat sails at 6pm*

Come join us for this informal happy hour cruise. It's the perfect way to spend a summer evening. The Goodtime III has an open air Upper Deck with deck seating and great views of the skyline, the Middle Deck has a dance floor, limited table seating (so get there early if you want a table) as well as deck seating and a bar, the Lower Deck is air conditioned with tables and a bar.

Ages 18 and over only (it's a Happy Hour Cruise!). DJ and dancing.

*Think you can't get there in time? The boat begins boarding at 5:30 pm and is scheduled to leave the dock at 6pm. In prior years the boat has remained on the dock for 10-20 minutes after scheduled take off and they allowed people to board. So if you think you can't get there early enough, give it a try. You may be able to get on board after all. But why be rushed, just leave work early!

41 DEGREES NORTH TOURS:

Cleveland Rocks - Sunset Tour

Where you'll go: This paddle departs from Whiskey Island, one of the few undeveloped green spaces adjacent to downtown Cleveland. We'll paddle across the Cuyahoga River along the Port of Cleveland, getting a close up view of the big ships that ply the waters of Lake Erie, before heading into Northcoast Harbor for a paddle alongside the historic SS Mather (a retired ore freighter turned shipping museum) and an opportunity to paddle under (yes...that's under!) the Rock n' Roll Hall of Fame. We'll then paddle out to the West Harbor lighthouse for a close up view of a classic Great Lakes light.

What you'll see: A working harbor complete with ore boats, tugs, and other commercial ships; two operational lighthouses and an abandoned Coast Guard station; panoramic views of the Cleveland skyline, and close up views of the Rock n' Roll Hall of Fame, the Great Lakes Science Center, and Browns Stadium. Wildlife sightings include: great blue heron, cormorants, and ducks.

Conditions to expect: This paddle remains behind the breakwall, so conditions remain generally flat. Boat traffic can kick up wakes and chop, especially in the area around the Cuyahoga River.

How far you'll paddle: 5 nautical miles.

Duration: 3 hours (approximately 2.5 hours paddling)

What's included: Single sea kayak and equipment (paddle, PFD, sprayskirt, whistle, and light).

Cost: \$35.00

LAKWOOD'S CLIFFS AND COVES - SUNSET TOUR

Where you'll go: This paddle departs from the Emerald Necklace Marina on the Rocky River. Starting out in the protected water of the Rocky River, we'll journey out to Lake Erie, and--sea conditions permitting--paddle eastward along the impressive cliffs of the Lakewood coast. Our return trip will offer an opportunity to venture into deeper water for a view of the Cleveland skyline before we paddle back into the sunset.

What you'll see: A spectacular river valley with impressive shale and limestone cliffs; riverfront homes (including the Elliot Ness home) and marinas; and a view of the Cleveland skyline. Wildlife sightings include: great blue heron, mallard ducks, wood ducks, cormorants, and seagulls.

Conditions to expect: While the Rocky River is always calm, Lake Erie is a dynamic body of water, so conditions vary depending on the wind. We will not venture into the Lake if waves are over 2ft., but it may be choppy at times.

How far you'll paddle: 5 to 6 nautical miles.

Duration: 3 hours (approximately 2.5 hours paddling)

What's included: Single sea kayak and equipment (paddle, PFD, sprayskirt, whistle, and light).

Cost: \$35.00
