**Meeting Activity:**

**Social Hour**

**Business Meeting**

Time is a wast'n, Ground Hog's Day is upon us and the Indians will be heading off to spring training shortly thereafter. Best sign up for a day trip and get your skiing and boarding in while you can.

**P**resident's message...I hope everyone in the club is enjoying the ski season as much as I am.. We have had one one-day trip already this season, which was highly successful in filling up two buses! We have one more coming up at the end of the month, and 3 more following, too. We have also breezed through a weekend at Laurel Hills, and as I write this our club members are enjoying the exquisite slopes of the beautiful Vail, CO. We hope they are having fun! Don't forget to check the website for all of the remaining and upcoming trips, though - this is just the beginning of a great season. And make sure to sign up early...so you're not left behind!

The racing season is also off to a roaring start with races at KB, Holiday Valley and Cockaigne this last month - come to the meeting to see how we did...

For those that prefer to go cross-country rather than down-hill, Allen Porter has been putting some great effort into finding the best spots to hit and the best deals on rentals. Make sure to get in touch & read the "Nordic" section to see about what opportunities there may be - even in our own back yard here! It's a great way to get out in the snow if you don't want to travel too far.

On a more somber note, one of our dearest members & "founding mother" of the club - Annie Easley - has recently been diagnosed with a brain tumor. She is currently responsive & has even expressed her desire to "just get out [of the hospital] and ski!" She was very recently moved downtown into the very good care of the Cleveland Clinic Main Campus. The address is:

Annie Easley  
Cleveland Clinic  
H-60, Room 33  
9500 Euclid Avenue  
Cleveland, OH 44195

You can also visit her on-line care page at [www.carepages.com/carepages/4annie](http://www.carepages.com/carepages/4annie). We will have a card for her from the Ski Club at the February club meeting, please come to sign it.

Happy Skiing, and please be safe out there on any ice! Stacey

# Racing News

The weekend race series season got off to a good start at Kissing Bridge. Elise led the team taking 1<sup>st</sup> place for a GOLD medal in CCVW for the first GS race of the year. Bruce took 8<sup>th</sup> place in BBVM and 6<sup>th</sup> place in CSB, both being very large classes. Lisa finished 6<sup>th</sup> in BW. The second race of the year was at Holiday Valley. On a very fast and fun GS course on Saturday, Bruce did double duty again took 6<sup>th</sup> in BBVM and 7<sup>th</sup> in CSB. Lisa was consistent and took two more 6<sup>th</sup> places in both the Saturday GS race and the Sunday Slalom race. Look below for the upcoming February race schedule. You can qualify at any race, except Bristol, so consider coming out and joining us! Racing is a great excuse to get out and ski, it improves your free skiing ability and WE HAVE FUN!

Unfortunately, the Cockaigne race had to be moved this year due to their historic lodge burning down on January 24<sup>th</sup>. RIP to the lodge, but I'm sure they will rebuild and it will be better than ever. The race is being replaced with a second race at Peek 'n Peak that weekend. Details are still being worked as of this writing, but the hope is that it will still be reverse order Giant Slalom and Snowboard.

Contact Lisa Lambert, Race Chair (216) 433-3994 [Lisa.M.Lambert@nasa.gov](mailto:Lisa.M.Lambert@nasa.gov), for details if you want to become part of the small, but fun NASA race team!

# Nordic News

Many of us have enjoyed the simplicity of skiing on fresh snow without driving or busing for many hours. Nordic, cross country skiing can provide all of you that wonderful winter activity. I am planning a few dates in the Cleveland snow belt that we can get introduced to this simple fun winter sport that is great exercise and conditioning for down hill skiing and life.
