President's message...

Look Mom. It snowed! No kids, that's just frost. <sigh>. Did you know that the air temperature does not need to be below freezing in order for frost to form? While Ohio is starting to get frost, other parts of the country are starting to get snow. Colorado and Wyoming have even had their first big storm of the year. Snowstorms for the North East have also been predicted. With the rainiest year on record here in OH, if the trend continues, we are due for a snowy winter.

This season we have a packed schedule for our club meeting activities. In October you heard about photography on the slopes. You should now be primed for photography on the slopes. Keep taking photos throughout the year, as we plan to hold a photo competition after the snow season is over. Special thanks to photo enthusiast and fellow skier Doug Waltman for presenting on Ski Photography at the Oct. club meeting! (see below for more) In addition special thanks to all who helped organize the Oct. meeting, especially Victoria Wise for all her efforts in coordinating the speaker.

In November our featured club meeting activity is our very own Lewis Ski Club expert member Larry Anderson, who will explain different types of "free heel" gear for the snow. (cross-country, telemark, back country gear). In December, Gordon from Geiger's will present on packing for the ski/snowboard trip and for a day on the slopes. The December meeting will also host the annual White Elephant, so keep your eye out for those "Elephants". Please note: Due to the packed schedule for the December meeting, the club business will be kept to a minimum. Be sure to watch the newsletter, the web page and your email to keep up to date on the club happenings.

During the Boston Mills Open House, the club had a number of members help to talk to prospective new members. Special thanks to everyone who helped behind the scenes. All of the club members benefit from your hard work, and without you these activities would not happen. Special Thanks to: Emil Bagi, Linda Elonen-Wright, Lisa Ferenc, Mark Hyatt, Mike Kaltenstein, Lori Manthey, Ray & Jan Neumann, Gloria & Tom O'Donnel, Allen Porter, Dave Root, Aaron Swank, Therese Telzrow, Victoria Wise, Allison Wood for helping with the open house. If somehow I missed your name and you helped out at the Open House, please let me know so that I can be sure you are properly recognized.

Don't forget, the Snow is on the Way!

—Aaron

October speaker gives photography tips

Forget magazine perfect ski pictures? Didn't Doug Waltman come to the October meeting to tell us how to take them? He did bring a really heavy backpack full of the necessary equipment for us just to lift. He told us, we probably would need to hike with it, up to the "best" spot and spend the day taking a staged shot over and over, only to spend more time editing the photo----instead of skiing! Doug's right, it's not that we can't, it's really not worth the effort. We go on ski trips to ski.

Now that the pressure is off, the good news is: by taking lots of photos following the "Rule of Thirds" before 11 am, using a decent camera with RAW capacity, kept warm in an inside pocket, we can take great pictures. We got tips about exposure, panoramas, video clips and all types of shots, with wonderful photo examples. Doug even brought a hand out with the information. There was no quiz at the end. The test will be the trip pictures this spring. Look forward to a ski trip photo contest and take loads of pictures! -Victoria Wise

Kelleys Island Recap

It was a picture perfect day, Saturday, Aug. 20, for a small group of us, Lori and Mark Manthey with their son, Lisa Ferenc, Connie Dean, John Zoldi, Trudy Graham, Matt and Janet Dubas, on the Kelleys Island bike trip. The ferry rides from and back to Marblehead were smooth and scenic on our Lake Erie. We biked around the island stopping at the Glacier Grooves, state park, public beach, and the pavilion on Addison St for a Big Band concert by the North Coast band. We watched the Kelleys Island homecoming parade and had lunch at the Kelleys Island Brewery and wine tasting at the Kelleys Island Wine Co. The bike ride on the north shore loop trail was short lived when the mosquitoes started eating us alive and we turned back to the trail entrance.

NASA Lewis Ski Club Activities

With the holidays & the ski season fast approaching, there's not a whole lot of activities coming up to report on. If you would like to volunteer to have a get together after work or an event to share with fellow club members, contact Ray Neumann or send an email to activity@lewisskiclub.org

Wednesday, December 28th - Metro Ski Council's Christmas Party at Quaker Steak on Canal Road in Independence

Don't Forget: White Elephant Exchange at the December Club Meeting

All you have to do to participate is bring a very nicely wrapped "white elephant" to the club meeting. The "white elephant" can be anything you've had in your closet that someone else could use or just a regift that you don't really want. So, you bring your gift; check in, get a number and place the gift on the table. The number you get will determine the order in which you get to select another gift from the table during the exchange. You open it, and then you get one chance to either keep the gift or steal from one of the previous openers! Please join in on the fun this year. .

Beginners Day Trip to Boston Mills

Have a friend or know someone thinking about getting into snowboarding or skiing? During the holiday season this year (Dec. 27-30, exact date TBD), look for a Lewis Ski Club Day Trip to Boston Mills. This outing will be open to anyone wishing to take advantage of group discount rates, but will also be of interest to people new to the snow. With the help of the expert instructors at Boston Mills, our group rate will include a group lesson to interested individuals as part of the package. Tell your friends to stop thinking about getting into the sport, and take advantage of this opportunity. Trip Leader: Warren Knipple.

Boston Mills Open House Recap

The Boston Mills Open House took place from Oct. 14-16 at the ski area, and included demonstrations and two tents full of gear. The one tent had used equipment and clothing as part of the ski swap sale and the other tent had new gear, with much of it discounted as it was from the previous season.

Along with shopping, the Lewis Ski Club had a booth at the event, where several volunteers handed out brochures about the club and answered questions about upcoming trips. We were in front of the fireplace right on the path to where the free pop and popcorn was being given out.

Thank you to the booth volunteers, which included Dave R., Allison W., Therese T., Mike K., Lisa F., the Neumanns and Gloria O. among others.

There were also other clubs represented, including Fagowees, Warren Ski Club and Suburban Ski Club and it was interesting to see what kind of trips and activities they had planned for the next year. Anyone up for a clam bake or pig roast? Discounted Pick-a-Day passes were also available for sale at the lowest price of the season.

Anyone who ventured outside from the tents or lodge had the chance to see skiers and snowboarders try their luck on rails set on imported ice and snow. Unfortunately for them, most of their attempts had them getting up off the ground. There was also a bull riding station along with food and drinks available for sale.

Knipples take Greek cruise with guest speaker's company

Last June, Sam Jordan came to speak to our club about his See the World Tours. Warren and I decided to go on the Greek Cruise in early October. We boarded the Star Princess, a beautiful ship with 16 decks. We visited Dubrovnik, Croatia; Corfu, Rhodes, Olympia, Athens, Mykonos, and Santorini, Greece; Ephesus, Turkey; and Venice, Italy. The weather was sunny and mild. We met wonderful people, many of whom were skiers from the Warren-Youngstown area. We avoided strikes and earthquakes, had marvelous food and service on the ship, and saw beautiful sights. We highly recommend Sam Jordan's trips. Check out his website sam@seetheworldtours.
