## President's message...

**Greetings Ski and Social Club Members:**

**Even though you may feel that the snow season is long behind us, and even though you may not have properly repaired and stowed your gear yet from last season (yes I'm guilty), the Lewis Ski Club trip planners have already started organizing for the next season. Club members have been certainly hard at work planning the snow trips for the next snow season. Keep your eye on the newsletter and your email for updates on the big trips for the next snow season. I'm sure you don't want to miss out on the trips to the mountains.**

**Don't forget that your ski club also holds out of snow social activities. A number of events are either on the calendar or in the planning phases. Continue to watch the club news this summer season for fun activities. Of course, don't forget to put the August 7th club picnic at Albion Woods onto your calendar. Please let us know of your planned attendance to help us ensure there is enough of all your favorite foods.**

**Remember, there is no club meeting in July, but we'll meet again at the August picnic.**

**Aaron** (now where did I put that root beer float)

Working hard on the flats...

## Annual Audit

**The Lewis Ski Club trustees met on May 22, 2012, to conduct the annual financial audit of the books. All transactions were reviewed over the past year, along with a thorough review of randomly selected trips.
