## President's message...

Ski shows are abound, pre-season deals on ski and snowboard equipment are at the stores, enthusiasm for the winter season is here, and yes, even snow is in the air. It won't be long before winter is officially here and snow is on the ground. I know I'm not the only one excited about cleaning last year's mud off the gear in preparation for a real snow season. Yes, my Dear Santa letter is only asking for a lot of snow this season.

Even though the busy holiday season is upon us, make time to read the club's on-line calendar and the monthly newsletter for information on-the-snow activities, trips, and social activities this season. As always, look for details on the club's upcoming day trips this season. I'm sure I don't need to tell you that the day trips sell out fast, so get your plans ready for time on the slopes this winter season. The first trip is only about a month away. Also, the Banff trip leaders are looking to fill one spot for a male roommate. Contact the trip leaders if you are interested in the last spot.

Hopefully you didn't miss the November club meeting, as we had a superb guest speaker. A special thank you to Rick from Little Mountain for speaking at the November club meeting. Rick gave us a detailed presentation on ski and snowboard gear, with an emphasis on helmets and goggles. Stop by their store in Mentor for more expert advice. In December, don't forget about the club's annual White Elephant Gift Exchange, and then in January, the club will get a special talk about the International Children's Games in Ufa, Russia. Keep checking back as the schedule solidifies for the remainder of the club meetings this season.

—Aaron

### DECEMBER 2012

White Elephant Exchange at the December Club Meeting:  
Tuesday, December 4<sup>th</sup>

All you have to do to participate is bring a very nicely wrapped "white elephant" to the club meeting. The "white elephant" can be anything you've had in your closet that someone else could use or just a regift that you don't really want. So, you bring your gift; check in, get a number and place the gift on the table. The number you get will determine the order in which you get to select another gift from the table during the exchange. You open it, and then you get one chance to either keep the gift or steal from one of the previous openers! Please join in on the fun this year.

## **Racing news**

**Get ready for racing in 2013! The weekend race series schedule is on our website and the Wednesday night race schedule is on the flyer included in this newsletter.**

**The schedule for the weekend series is similar to last year, but with a few twists. We'll kickoff the season at Kissing Bridge with a race on Saturday, January 5th. If conditions permit, rather than two Giant Slalom runs, the plan is to have one run Giant Slalom and one run Slalom. There will be various changes to other races, mostly to start times in an attempt to shorten the race day for everyone. Details will be E-mailed to the race team the week before each race.**

**NEW this year, the race committee is going to tweet start times and race day changes! Follow @RACINGCMSC on Twitter for all of the updates.**

**The current list of qualified racers is also posted on the website. Please welcome experienced racers Don and Marilyn Lesinski to the NASA Ski team! Also, between seasons the race committee reevaluates racers to be sure everyone is competitive in their class. This year there were three reevaluations. One was yours truly, who has been moved from BW to BBW. We have several people interested in qualifying, so expect to see the roster grow this season.**

**Anyone is welcome to qualify for the weekend race series at either the qualifier at Boston Mills in the evening of Wednesday, January 2nd or at (almost) any regular race.**

**Contact myself or Mark Hyatt for details on either race series.**

**— Lisa Lambert, Race Chair**

*NOTE: All racers must be a member of a CMSC ski club and will be responsible for their own lift ticket (we recommend the pick-a-day package offered by Boston Mills/Brandywine Ski Area). If you have never raced in this series before and have not qualified and/or participated in a weekend CMSC race, you will be placed in a Qualifier Class so that we can place you in the proper race class (more fun for you!). This qualifier or series DOES NOT qualify you for the weekend races. The number of classes will vary based on participation.*
