## **President's message...**

**May it finally be Spring? Yes, it May.**

**For those of you who long for the Spring weather, it finally appears to be here. Me? I'm already tired of those outside chores and the spring peepers and gobblers are again keeping me awake at night. No, I'm not complaining, I enjoy the weather and the sound of the peepers, but I just need sleep. Oh, how I miss the snow season. I'm already looking forward to the next ski season and your ski club representatives are also very hard at work getting ready for next years ski season. Keep a careful eye on your email to find out all the details on next year's extended trips. The current plans appear to have something for everyone.**

**Working hard on the flats...**

**In the meantime, the warm weather is here to be enjoyed. This Spring and Summer, you're in luck, as the club's calendar is rapidly adding more and more activities throughout the season for each month. Be sure to watch the club's online calendar and make a note of your favorite activities. Still, there are a lot of days in the off season to fill with activities. Thinking of something fun or active to do? Perhaps you have a last minute idea? Consider a last minute post to the last-minute email list, or better yet plan ahead and include your fellow ski club buddies by getting your activity up on the club's calendar. Just contact the club's activity officer to organize your outing.**

**As usual, there is no May club meeting. June returns with a not so regular club meeting. June 4 we'll be at the Brew Garden just off Bagley road near I-71 for a summer happy hour and club meeting. The annual club picnic returns in August. Please get your tickets early, so that the picnic committee can plan accordingly. Complete details will be announced soon and tickets will be available at the June club meeting/social hour.**

**Thanks to the officers for volunteering to serve the club this year and a special thank you to all the people who served the club this past year.**

**Aaron**
