President's message...

Hints of Summer are still lingering around, but the kids are back in school, cool nights are here and the true fall weather will be soon be here. Before you know it, we'll be getting lake effect snow, with cross country skiing soon to follow. It's time to dig-out/find that ski/snowboard equipment from storage, tune your equipment for the next season and start looking for those pre-season sale items.

If you missed the annual club sponsored picnic in August, you missed a great time. Special thanks to the picnic committee. Their hard work certainly paid off with good food and fun for another great group gathering. In addition, if you missed out on the club's four person golf scramble you missed out on some great fun and some amazing prizes. Be sure to ask James about the limited edition Lewis Ski Club Shot Glasses that were prizes at the golf outing.

Working hard on the flats...

Your volunteer ski club representatives have been extremely hard at work planning trips, activities and speakers for the regular club meetings. Stay in tune with the web page, the newsletter and your email to make sure you don't miss out on all the fun. Remember, you can use your smart phone or digital calendar to subscribe to the club's online calendar so you don't miss out. Keep in mind the club's tentative day trip schedule is up on the online calendar, so start planning your winter vacation time now. As always, if you are interested in leading a day trip, see a club officer.

Lastly, don't forget that the upcoming club meetings will be held at the Donauschwaben German Club at Lenau Park. Complete details of the new location are up on the web page. Also, it's time to renew your club membership. At only \$10, we are the best value for an all year round snow sport and social club in Cleveland.
