President's message...

It's that time of the year again: Fall!

Yes, it's time to fall! Snow that is.

Yes, snow has been falling in many parts of the US. Hopefully the weather patterns will continue for a productive winter ski season. I know everyone is eager to get back onto the snow. As you already know, the club has already released the schedule for our alpine day trips this season. We are still looking for a few trip leaders, so please consider volunteering to lead a day trip this season.

Keep a watch on the activities and topics for this season's club meetings. Special thanks to Dr. Magliola who spoke at the club's Oct. meeting about general nutrition, how to move from summer lazy mode to active winter and issues regarding adapting to altitude. In Nov. look for Coach Hartzel, who will talk about stretching different body joints and will show people how to strengthen those body areas. December brings our annual white elephant exchange and then in January we'll have a social activity combined with a chili cookoff!

During the Oct. Boston Mills Open House, a number of club members volunteered time to talk to visitors and prospective new members. Special thanks to everyone who helped behind the scenes. All of the club members benefit from your hard work, and without you these activities would not happen. Thanks to Allison W., Barb K., Bernice P., David R., Gloria O., Janet D., Jim S., Kim H., Mary D., Mike K., Victoria W., and Warren K. for helping to represent the club! I especially want to thank Victoria for her efforts in setting up a stunning looking display for the club at the open house. If somehow I missed your name and you helped out at the Open House, please let me know so that I can be sure you are properly recognized.

Finally, don't forget it's time to renew your club membership.

If you are an existing member renewing, be sure to submit your application before the membership rates increase. All of the information and forms are available online at <http://www.lewisskiclub.org/membership>.

A note on club dues

Once again, membership fees are due for the next winter season with the Lewis Ski Club. Please get your forms in on time. Please note that the form has changed slightly. You'll notice there is now a check box option to include CMSC dues. What's this you ask and why is it on the membership form?

The Lewis Ski club is a member and long-time active supporter of The Cleveland Metro Ski Council (CMSC). For all the benefits that CMSC provides our club and you as a member, see our web page <http://www.lewisskiclub.org/cmsc> . This year, CMSC has changed their dues structure to a per person rate instead of a per club flat rate. Our dues to be paid to CMSC, now based on a per person payment structure, are increasing this year. As a result, we have to pass this extra cost on to our members. In addition, due to the CMSC per person membership pricing structure, it is up to us to make sure the club is not paying CMSC twice for a person. (for instance a member who belongs to both our club and another club who has already paid their CMSC dues.) The new checkbox allows people to opt out if they are a member of another CMSC club. Please keep in mind that we do strongly suggest supporting CMSC and encourage you to pay your CMSC membership dues if you are not a member of another CMSC club. Your dues paid to CMSC supports the CMSC ski racing programs, CMSC activities, the Sitzmark newsletter and much more.

We feel the addition of a checkbox rather than just increasing club dues is more beneficial to our members, the club and CMSC. As a member you are more directly aware of our relationship with CMSC and the associated costs and benefits. As a club, we benefit by ensuring we are paying the proper amount to CMSC, by not paying CMSC for a member who has been paid for by another CMSC member club. Finally, CMSC also benefits. Our club will continue to require club membership for participation in all club ski trips as opposed to providing one-time, non-member activity prices, which would not require payment of CMSC membership dues.

For those of you who have already turned in your form for this season, don't worry, we'll go ahead and include your name on the list to CMSC as having your primary membership with the Lewis Ski Club.
