NASA Lewis Ski Club

Welcoming new officers

Every May, the club brings in new officers. This year, we're getting a new President, Alpine VP, Nordic VP and recorder. Messages from the first two can be found on pages 2 and 4.

Next meeting

As it is May, there is no meeting this month. We will have a normal meeting in June.

We meet downstairs at 6 p.m. at Donauschwaben Club, 7370 Columbia Road, Olmsted Twp. Come early starting at 5 p.m. for a drink at the bar or some conversation upstairs if you like.

President's message

Friends,

This is my last President message. We want to thank all the officers who volunteered to serve the club this coming year. We also want to thank all the past officers who are stepping down. The club is awesome due to volunteers like you.

We have no meeting in May and will resume a club meeting in June. Check the activity page for some fun summer activities. The annual club picnic is in August. Details will be announced soon. Buy your ticket early so the picnic committee could plan accordingly.

We have some exciting weeklong trip info coming soon. Check the webpage often.

Incoming president's message

As we begin our 2016-17 Lewis Ski Club year I want to first say thank you to the outgoing officers for all of their time, energy, enthusiasm and hard work tending to our club's needs and business. A special thank-you is due to our past-President, Tom Vannuyen, and past-AlpineVP, Aaron Swank, for their multiple years of service and for their support during this transition. I also want to thank those officers who are continuing on and to those who are new to club leadership. Thank you for being willing to serve and bringing your fresh ideas and perspectives.

It is my sincere hope that I can serve the club well and that with willing and responsible volunteers, many hands will make light work. For the convenience of everyone, it is my intent to use a portion of some club meetings for committees to meet to discuss and plan activities, trips, outings, etc. In this way it is my hope that more people will have input to the planning and find ways they can support the club. I anticipate we will try this at the June meeting. Once the year is planned things should progress smoothly as we enjoy skiing, playing, and socializing together.

See you in June!

From the Alpine VP

The Lewis Ski Club members include a wide spectrum of people from young singles to families. Our club has been active in the Cleveland community since it was founded in 1980 and operates as a nonprofit corporation; all of our officers, committee members, trip leaders and activity organizers are VOLUNTEERS. A volunteer is defined as a person who freely offers to take part in an enterprise or undertake a task.

Without these people stepping up to help coordinate trips, run activities, and provide food at our meetings, we would not be able to continue. Everyone has busy lives, work and family commitments, church and other club memberships but we need you too. Even with ski season more than six months away, we are encouraging you to step up and volunteer to run a day trip. We have all the resources you need as well as experienced members to help you run a great trip. If there's a bucket list location that you'd like to see the club visit, let us know. It's your club, we want you to get involved, bring in new members, participate!

We are always looking for fun activities to do the rest of the year. Let our activity chairperson volunteer know and we'll get it on the calendar! Email your interest in helping out! For ski trips: alpine, for activities: activity.

Steppin' Out celebration

Come celebrate the 60th anniversary of the women's showchoir Steppin'Out with ski club member, Barbara K, who will also be performing. They'll be singing and dancing to the music "Singin' in the Rain," "Boogie Wonderland," "When I'm 64," "You've Got a Friend," "Sweet Home Chicago" and many more.

The performances are May 20-22, May 20 and 21 at 7:30 p.m., and on May 22 at 2:30 p.m.

They'll be accompanied by a live band and in a new facility: Hope Church on Columbia Road in Olmsted Falls. Presale tickets are \$13 and can be bought from Barbara by calling her at 440-808-8147. Tickets can be purchased at the door for \$15.

Nothing in this world compares to the feeling of gliding through a Rocky Mountain snowy forest, powder gliding under the skis silently and feeling like you're, for once, at peace. But that's all over for now and it's time to turn in your boots for shoes and Bust A Move at the Polka Fest. What a great way to start the off season with your Lewis Ski Buddies. John Berger will be hosting the event see flyer for details. This is an open seating event.
