A group of members went to Laurel Hill State Park in Pennsylvania. Along with bike riding and cooking out, they celebrated Cinco de Mayo with a pinata and mustaches for some reason. Go to page 5 to read more.

President's message

Friends,

June is busting out all over! Beside the meadow and the hill ... I love June. Don't you? It makes me want to celebrate and play and consider all the possibilities of things to do. What a wonderful time of year to not only dream of places to go and things to do, but to actually make plans to do them with friends in the Lewis Ski Club!

At our June meeting we'll first enjoy an Ice Cream Social. Ice cream and toppings will be provided. (If you want to bring short cake or cookies to share that would be great!) Then, after a short business meeting, we'll spend some in committees to make some plans for the year. A trip committee of eight members has been formed and has been tasked to set the trip schedule for our 2016-17 ski year. If you have ideas about where you'd like to ski this year and when, this is the time to bring it forward to the committee for consideration. The more information you have the better. If you have questions, please contact Alpine VP Kim or Nordic VP Valerie for guidance.

In addition to trip planning, we need your ideas for short social programs/activities for our club meetings. Do you have a burning question about skiing that you'd like answered? Do you have fun activity to help club members become better acquainted? Bring them along!

How about ideas for recruiting new members? Or non-skiing activities? If you'd like to lead an activity, please let me or another officer know.

This is your club. Together, let's have fun and plan a great year!

See you Tuesday!

MAY ACTIVITIES WRAP-UP

By Jan Neumann

We started the month with ten members participating in the Laurelhill Weekend in Pa. After everyone arrived early Friday evening, we had a casual dinner of sausages and sides. Steve and Ray dodged the raindrops and we able to cook on the grill. A group of us went to watch the Cavs playoff game in Somerset. Great game, of course you know the Cavs won! After a hardy breakfast Saturday morning, most of us went to Ohiopyle to ride the Rail to Trail bike path.

We rode to Confluence at different paces all meeting up for lunch. Weather was perfect. Ray (recovering from surgery) went with Warren to the the Flight 93 Memorial in Shanksville and then to a local microbrew while the rest of us were biking. Everyone had fun!! Saturday night was the belated Cinco de Mayo party. Cindy brought everyone tiny sombreros to wear. There was so much food!!

After dinner Steve and Cindy hung a piñata outside. It was hilarious watching everyone blindly swinging the bat. Matt was the one to finally break it open. Sunday morning we had quite a buffet with breakfast burritos and much more. No one went hungry this weekend.

Before taking off we had an unexpected scavenger hunt looking for my key fob which fell out of my pocket. Thanks to everyone on the trip for hunting so diligently. No one was successful at finding it so Ray and I had a bonus night (ha, ha) in Greensburg, Pa. while waiting for the Mazda dealer to open Monday morning. We got to watch another Cavs game in our room. As you know, they won that too!! Go Cavs! What a great group of people we had. Thanks everyone for pitching in.

Other activities included the Polkafest at Donaushwaben featuring the Chardon Polka Band. As always a great time. Such fun dancing and watching this unique Polka Band. The same weekend Barb Knipple performed with her Steppin' Out group celebrating their 60th anniversary Memorable numbers included "Sweet Home Chicago," "Boogie Wonderland" and "You Don't Own Me." Very fun show. Nice job Barb!

Warren attempts the pinata but is unsuccessful.

Polkafest also served as a birthday party for Jan.

See more information on upcoming activities on page 5.
