Ron Smith of Consultative Insurance will be the speaker at our March meeting and address insurance questions for our club. He will speak for about twenty minutes. Please plan to attend.

At the December Executive Board meeting, the board approved proceeding to plan ski trips in 2018 to four destinations: Chile, Red/Whitewater, Telluride, and Mt. Snow.

Valerie has been hard at work pulling together some cross-country ski opportunities. So take a look at the newsletter and let her know of your interest right away.

Remember, sign-up for the one day ski trips opens 30 days prior to the trip...so mark it on your calendar to make sure you get a seat!

### **HEY! YOU'RE IN MY CLUB!**

After we've put on all our gear, helmets, and face masks, if it were not for that familiar red band around your leg, I would not know you're in my club. The RED BAND is unique to Lewis Ski Club. So many other club members will comment on what a great idea it is, but they still don't have them. It is a great idea! In a recent inventory, 120 leg bands were accounted for.

We have updated the style a bit so we are looking for those older leg bands that are crumbled up in a pocket or the bottom of your boot bag to repair and update them as well. This really is a nice benefit that our club offers you, to always be able to identify another club member out on the slopes, in the lift line when their face is not visible.

If you have a RED BAND, please bring it to the next meeting or ski trip you'll be attending.

**THANK YOU!!!!**

**Kim Hulick**

Some red leg bands were spotted in the wild at Heavenly last season.

## White Elephant giveaway

At the December club meeting, members participated in the popular annual White Elephant Exchange with gifts ranging from alcohol, food, a reindeer glass mug and even a pair of left-handed golf clubs. Making it more fun was that an item could be stolen two times by other players.

One lesson learned during this event is that the packaging may not exactly match what is inside. For example, Steve R. opened a box for a sewer and drain cleaning kit. However, upon removing the tape, it was discovered he actually received a nice bottle of red wine.

## News from Your Nordic VP

Happy Holidays! I've been working on exciting winter 2017 plans for Nordic skiers and their friends. The recent warm weather has given me a chance to catch up and better define the plans so you can all put these upcoming events on your calendars and pray for snow!

The first trip for the season, Jan. 15-19, 2017 will be to Canaan Valley, West Virginia (<http://canaanresort.com/winter/>) where we will stay in a beautiful state park lodge complete with indoor pool (Based on a group rate of 5 rooms minimum, price per room is \$98). The plan is to drive Sunday afternoon, Jan. 15<sup>th</sup> and stay on the way at Alpine Lake Resort for one night (~\$70/room) then arrive at the state park lodge on Monday morning so we can get a full day of skiing on Martin Luther King Monday. If you would rather just drive down on Monday, another group can drive down Monday and meet us for dinner. We will arrange car pools if desired, or all meet at the State Park Lodge for dinner at 7pm on Monday, Jan. 16<sup>th</sup>. At Canaan Valley Resort, your winter recreation and relaxation options are plentiful.

Perhaps the best way to experience the beauty of our "winter wonderland" is by XC Skiing and Snowshoeing. Enjoy 30 kilometers (18 miles) of marked, ungroomed trails and acres of wide open meadows to roam, all in a peaceful setting with no trail fees. XC ski trails are natural snow dependent – no trail fee charged. XC Ski Lessons are now available – which includes equipment rental and 1 hour group lesson. Lessons are based on instructor availability, advanced reservation is recommended, and lesson times will be 9:30am, 11:00am, 1:00pm, and 2:30pm. Reservations: 304-866-4121 ext. 2629 or 2630. Lesson Rate: \$40 per person / \$30 without rentals. XC ski rentals are \$18/day if you are not taking a lesson.

Downhill skiers and snowboarders of all levels will love the 47 slopes and trails. (Lift tickets are only \$25 with the group vouchers we will receive if we reserve 5 rooms.) With a vertical drop of 850 feet and over 180" of average annual snowfall, families of all ages can enjoy snowboarding, skiing, XC skiing, snowshoeing, ice skating, or even snow tubing in the tubing park, at Canaan Valley Resort. After a long day on the slopes – relax in one of the new 160 guest rooms or fireplace suites. Situated less than 5 hours from our Lewis Ski Club meeting place, it's a great time to explore Canaan, the place for affordable winter family fun! This trip is expected to accommodate a small group of 8-10 people. Rooms are available for \$98/night if we get at least 5 rooms for the 3 nights. Let me know ASAP at nordicvp and definitely by Jan. 3<sup>rd</sup>, if you plan to go so I can finalize the prices. Let me know also if you plan to drive down on Sunday or Monday. I only have 2 rooms reserved at the Alpine Lake Resort for Sunday night (\$70/night).

Please bring your payment (check) for your room to the January 3<sup>rd</sup> Ski Club meeting, or mail your check to me, Valerie Lyons, 27313 Forsythia Dr., Columbia Station, OH 44028, to be sure you get a room at the group rate of \$98/night (price normally is \$149/night). **Nordic news continued on Page 6**

## Nordic news continued

The second trip will be February 9-12<sup>th</sup>, 2017 to ski Art Roscoe Cross Country Ski trails (<http://www.alltrails.com/trail/us/new-york/allegany-state-park-art-roscoe-ski-area>) in Western NY where I have reserved lodging for about 5 people in a house in Salamanca, NY. I can look for more lodging depending on how many more join us on this trip. Cost for the housing is less than \$40 per night. Cross country ski rentals are available at the resort. We can also drive to Holiday Valley or Holimont for downhill or cross country trails. Let me know by January 9<sup>th</sup> if you are interested in going on this trip so I can be sure to arrange lodging for everyone. Payment will be due by Feb. 1<sup>st</sup> – after the total trip costs are finalized.

**One day cross country outings are planned for the following days – see the events calendar on the Lewis Ski Club website for more details and put them on YOUR calendar – hope to see you there.**

Saturday, Jan. 21<sup>st</sup> - 10:30 a.m. – 2:30 p.m., **Chapin Forest Ski Center**, Lake MetroParks, Kirtland

Friday, Jan. 27<sup>th</sup> - 1-3:30 p.m.– **Big Met Golf Course**, Rocky River Metroparks

## January Meeting Talk: Photography

After I untwisted my arm from my back, I looked into the keen eyes of our club president and asked, "So now that I've volunteered to be the January meeting entertainment, what do you think I should talk about?" Ever efficient and without cracking a smile she replied, "20 minutes." So January's meeting talk about photography will be about TWENTY MINUTES.

Having retired, retired, and finally retired; I came upon digital photography as something I found interesting. It has given me a reason to get out and about. I plan to share a little of what I learned so that the casual (ski) vacation photographer may up their photographic game. It seems a little crazy to come home with a memory card full of indistinguishable photos that are never to receive more than a glance, never to be printed, and end up relegated to the digital dust bin until the card gets reformatted. And more importantly only receive a few lukewarm likes from friends and family on social media.

Finally, after I've babbled for 20 minutes, I will open it up for the more accomplished ski photogs in our membership to share best ski photo practices.

While this is some nice glass, you don't need this to take nice shots.

**- E. McFarland, Photography Enthusiast**
