Description: Come join us at Findley State Park for a camping weekend. This will be our first weekend camping trip in several years and should be a great time. Come build some friendships and make some memories. We've reserved 5 side-by-side non-electric campsites and plan to make use of the lake and hiking trails.

Location: Findley State Park is south of Wellington, on SR 58. It has 2 boat launch ramps, hiking, disk golf, and a mountain bike trail. One of the 2 boat launches is in the campground; the other launch ramp has a handicap accessible ramp for launching and retrieving kayaks.

Fishing is allowed if you have a license. Pets are allowed at the campsite, as long as they are on a leash.

Bring your own camping gear and cooking gear, beverages and food. The \$32 fee will pay for the campsites and firewood, at minimum. If more than the break even number of participants sign up, more will be provided by the club as funds allow.

Marianne and Cathe will bring a couple single kayaks, a tandem kayak, and a stand-up paddleboard. We'll bring these to share; and there are kayaks and canoes available to rent from the concession stand at the swim beach.
