## FROM YOUR ALPINE VP - New Day Trip Schedule

Of course, Lewis Ski Club will continue to run the best day trips in Northeast Ohio but we are changing up the schedule a bit to try to beat Mother's Nature fickle ways. Our day trips were available for sign up only 30 days prior to the event. Moving forward, we plan to open all the day trips at the beginning of the season so you can sign up for as many day trips as you want at one time. No more reminders needed to check the web site 30 days prior, it will all be there. Don't hesitate when these trips open up, as they do sell out and with this new format, you should not wait on the weather report or to see who else signed up. Prices and trip leaders to be announced as more information becomes available. Anyone interested in leading a day trip should contact [alpinevp@lewisskiclub.org](mailto:alpinevp@lewisskiclub.org)

# The Loss of a Long Time Member

## Thomas J. O'Donnell

Tom O'Donnell passed away last Tuesday, August 21st. He is survived by his wife, Gloria and son Brian. He is a Navy Veteran and will be buried at the Interment Ohio Western Reserve National Cemetery in Rittman, Ohio on Tuesday, August 28. Gloria was pleased that several club members came to show their respects at the services held last Friday evening. Tom and his family joined our ski club in 1981.

From Gloria:

Even though Tom and I hadn't skied with the club since 2011, Tom never wanted to lose the ski club "connection." He looked forward to all the meetings. He waited until after the picnic to get sick. He was fine on some days, but other days he was lethargic, tired, and weak. According to the death certificate he died from heart failure. It's hard to understand because just about two weeks ago, he was his usual self.

Tom started skiing in the 60's and skied all over the west. He would spend weeks with his buddies hitting one ski area after another - a true ski bum.

From Fellow Club Members:

He was always a kind and gentle man, and never failed to greet me warmly when we met up at various activities. Tom had a quiet friendly manner. He was an good guy to talk to, easy going, laid back. I recall that Tom was always friendly to talk to. His family spent their winter days in Florida, which is why they were no longer seen on the winter ski trips. A dedicated member who usually came to club meetings when not out of state. Tom will be missed.

# OUR ANNUAL PICNIC ON AUGUST 6

Our annual picnic has come and gone which means we are half way to ski season. Nearly 60 members and family participated in the picnic where we enjoyed delicious steak, chicken, and assorted side dishes. The grills were hot and ready to go. Ray, Jan (Jurgy) with his handy dandy meat probe, Warren, Karl and myself commanded over 38 cooked to order steaks while Mark Hyatt tended over 16 plus secret marinated, fall off the bone chicken halves grilled to perfection. Although an overcast sky dropped liquid sunshine on our parade it quickly dissipated with the food, beverages, and camaraderie enjoyed by all. Thanks to everyone for your participation and contribution to make this event fun and successful. John Berger

# CAMPING AND PADDLE SPORTS WEEKEND AT FINDLEY STATE PARK AUGUST 10 - 12

We set up camp just minutes after a thunderstorm ended on Friday afternoon, and left at 1(ish) on Sunday with a rain clouds in the distance. But while we were in Findley State Park, the skies were clear and the weather was perfect for sitting around the campfire, kayaking and boarding, swimming, meteor-watching, hiking and relaxing. There are now some new paddle-boarders and kayakers. In all, we had about 18 people sharing all or part of a great weekend.

The potluck meals were amazing. Thank heavens for folks who enjoy cooking, and sharing. Burgers, dogs, sausages, fresh green beans and corn on the cob, peach cobbler, fresh-made dips, cold-cut sandwiches, marshmallows over the fire; perc'ed coffee, omelets, bacon and eggs and (more) sausage, pancakes and french toast. And I haven't listed all the food that was added to the tables. I'm sure we all gained weight.

Many thanks to all for making it a great camping / floating weekend! Planning for next year will be a breeze - rinse and repeat!
