**AUGUST 2019**

## President's Message

Greeting all - Wow, It's August!! Only a few more weeks and the kids will head back to school. Labor Day is right around the corner. We still have some great activities in Aug like the Club Picnic, Findley State Park camping, and the Cleveland Indians baseball games. Check out more info on the web.

Your elected officers had been hard at work planning for next year ski/board season. 1-day Friday trips are in the works. We are looking for day-trip leaders for the trips. Contact a club officer if you are interested in leading one. If you have not led one before, we could set you up with an experience trip leader to help you learn. It's a great way to meet new people and learn how our trips are run. See any officer for more details. We would be happy to help.

The weeklong trips to Steamboat, CO and Mammoth, CA are also posted on the web. Reserve your spot ASAP as spaces are filling quickly. Check everything out on the NASA Lewis Ski Club website!

See you at the club meeting.

## Indians Game

Gates open 2 hours prior to game time. This is Dollar Dog night with postgame fireworks. As of this writing, \$15 standing room "District Tickets" (with a \$4 beer included) are still available. Weekends are very popular, and they will sell quickly so act soon. Standing room tickets not for you? No problem - buy a ticket of your choice and come join everyone in The Corner's upstairs bar pregame, then go back and enjoy watching from your seat. For best selection act early. Contact J. Neumann for more information.

## Badminton Tuesdays

Sorry, but **we had to cancel the August Badminton evening!**

## Alpine Update

The day-trip dates have been established as every-other-Friday starting with January 3<sup>rd</sup>, 2020. We will alternate between Holiday Valley and HoliMont with pick up locations on the east and west side. We are also looking into trips to Killington/Pico to utilize the Ikon Pass, selecting dates that are not on the "blackout" list. We have just started researching transportation as well as hotels versus condos. There is also the possibility of going Sunday-to-Thursday to really save money, but we will first look at a Thursday-to-Monday timeframe. We would need at least 20 participants to qualify for group rates. If anyone is interested in leading any of the adventures, please contact me! If you are new to the Trip Leader role, we have a great mentor program that can guide you all the way. Don't hesitate to reach out with any questions, and please encourage your ski friends to join us!

## Goodtime III Cruise - Report

It was the best Goodtime ever! Once again, the weather co-operated. In fact, it was a perfect summer evening! Downtown Cleveland was alive and kicking with Cleveland Indians vs Minnesota Twins, the Tall Ships Festival and the Goodtime! Some of us got down there early, bought our tickets and met up at Nuevo Modern Mexican and Tequila Bar for some yummy and unique margarita flavors. A perfect way to get primed for a good time.

We broke our unofficial record - we had at least 25 ski club members, friends and family in attendance! We had 14 of us continuing the evening with dinner at the Harp afterwards.

We soaked up the sunshine, enjoyed the views and each other's company, and even boogied on the dance floor.

To end the night, we enjoyed a sky bursting with fireworks from the Tall Ships and then from the ball game. A great way to end a "Goodtime" on a summer evening!

Check out the pictures to see yourself, or what you missed out on!
