January, 2023

## Prez Sez

The weather is pretty cold around here in the southwest of Ohio (zero degrees Fahrenheit!). Holiday Valley has opened, and our first two trips there on January 6<sup>th</sup> and 13<sup>th</sup> are full! Contact the trip coordinators to get on the waitlist. Can't

wait... 😊

Lewis Ski Club's (LSC's) on-site meeting at the Donauschwaben German-American Cultural Center in December was a big hit again, as usual. We had some new young members attend and they really enjoyed our annual white elephant gift exchange this year. That was a lot of fun. It's good to see everyone's smiling faces.

Our Nordic VP is planning a cross country trip when opportunities of snow come up. Be on the lookout for an impromptu Nordic trip. Check the LSC webpage and your email regularly for the latest information.

Here's to another great year in 2023. Be safe, ski and ride responsibly and enjoy.

T. Vannuyen, President

## January Membership Meeting

Our next club gathering will be in on Tuesday, January 3<sup>rd</sup> where we will socialize in the bar beginning at 5:00 and move downstairs at 6:00 for our meeting, where we also will have some food (we

have increased our budget, so there should be plenty), so plan on making this meeting at the Donauschwaben German-American Cultural Center in Olmsted Falls.

## Alpine Update

We're so excited how well our day trips are selling with our joint venture with the Suburban Ski Club (SSC). There is a trip on February 24<sup>th</sup> that

still has seats available. We've also added a Tuesday day trip to HoliMont on Feb 7<sup>th</sup>. Holimont is an SSC trip that we've added to our calendar for our members who love HoliMont and hopefully to help ensure there are enough registrations for that trip to go. Lewis Ski Club has no role in decision-making for that trip and membership to SSC is not required for our members to attend. We appreciate everyone who supports LSC. Joining a family ski club has great benefits and Lewis is one of the best.

K. Hulick, Alpine VP

## Nordic Update

**Big Met Golf Course** - I will kick off our 2023 season with a nordic outing at Big Met golf course on Monday, January 16<sup>th</sup>, which is

Martin Luther King Jr. Day. We will meet at the clubhouse between 9:30 - 9:45am to stretch and warm-up, and then start out by 10am. Afterwards,

we will decide on a local restaurant to re-fuel our spent calories!

(Bad weather reschedule date: Saturday, Jan. 21st, same location and meeting/departing times.)

Looking forward to great snow conditions and my Nordic buddies to share our first official Nordic outing for 2023! Thank you,

D. Marcinko, Nordic VP

***Thule Cargo Carrier***  
*(Free to a Good Home)*

*A club member has turned in his skis and will no longer be hitting the slopes, but has, sitting in his garage, a rarely used 7-foot, lockable Thule rooftop cargo box, capable of holding four sets of skis. He is offering it for free to any member who would be willing to drive out to Wakeman, Ohio. It is adjustable to fit most roof racks. If interested, send an e-mail to the Publicity Director ([publicity@lewisskiclub.org](mailto:publicity@lewisskiclub.org)) and you will be put in contact with him.*
