## NEWSLETTER

May 2025

*Behind every great club is a group of volunteers committed to building a culture that encourages fun and friendship while promoting a shared love for skiing, snowboarding and outdoor adventure.*

---

### *Meet our new President, Kim H.*

Mina was 102 years old when she and I met. She believed that happiness was the most important thing in life. So, in 2011, at the age of 55, I joined the Lewis Ski Club and signed up for the Women's Snow Discovery program at Boston Mills to relearn a sport I hadn't done in 30 years, all in search of happiness.

We were a large group at that time with monthly meetings at the old Bomber Squadron near NASA. We explored mountain resorts from coast to coast and sold-out trips ranging in length from one day to one week.

With the ease of online travel planning and passes such as Ikon and Epic, interest in club membership has waned through the years, while the ski industry continues to see more people take up our sport. But clubs still have the advantage! By leveraging the collective buying power of the group, we offer high value trips at a great price.

Thirteen years later, I am still grateful for Mina's life-changing advice. I've made friends, traveled, led trips, found love in the mountains of Vermont and now I'm skiing with my grandsons.

I've enjoyed serving as your Alpine VP and am excited to now serve as your president alongside a new board that brings lots of experience and enthusiasm. I will be counting on all of you for your input to help lead our club successfully into the future. Together, we can plan great events and share the many benefits of being a member of the Lewis Ski Club. I look forward to seeing all of you on June 3<sup>rd</sup> at our meeting and Ice Cream Social.

## Meet Mark. our Alpine VP

I've been skiing since boots were laced up, skis had cable bindings, and Boston Mills only had T-bars. I've also been a member of the Lewis Ski Club since the 1980's.

I have loved skiing moguls since I got good at that, although I can't seem to do that all day anymore (I think they've gotten bigger). I have previously served as Publicity Director and Trustee, and I have run several day ski trips. As your Alpine VP, I'd like to see us add a day trip option other than Holiday Valley (even though that IS my local favorite) and make our monthly meeting's more theme-oriented (e.g., ski tuning clinic, game night, wine & cheese tasting) and fun.

## Meet Therese. our Activity VP

I've been skiing since back in the day when Pick-A-Day at Boston Mills was an incredible value and included extra passes, rentals and lessons that could be used either for yourself or others. I talked my sisters into going with me and it quickly became an enduring family sport that still brings us together year after year. In addition to flying down the slopes, some of my favorite things about skiing are the camaraderie and entertainment.

The Steamboat Springs Winter Carnival is a cherished annual tradition which blends Western heritage with winter sports. Highlights include thrilling street events like skiers being pulled by horses down snow-packed Main Street, ski jumping through fiery hoops (a ski patroller no less with his sled all ablaze) and the iconic "Lighted Man"—a skier adorned in a 70-pound LED and fireworks suit descending Howelsen Hill during the Night Extravaganza. The event is topped off with an amazing fireworks display.

Besides Winter Carnival, another of my favorite Steamboat ski memories is flying down Tomahawk with my pink backpack flapping in the breeze just like wings. My sister, Kathleen and Judi T were racing alongside, giggling all the way even as we barreled into the lift line.

On a local level, there's just something special about Holiday Valley! I love the runs, and the town of Ellicottville with its shopping, good food, live music and entertainment. This year, I was lucky to be there for the pond skimming contest. It was so fun to witness the contestants shoot down Yodeler, dressed in their comical costumes. I was surprised by how many made it across the pond. What a great way to end the season! Can't wait for next year!

As your Activity VP I hope to provide plenty of opportunities to socialize, get some exercise and have fun! There are so many great things to do in Cleveland! Watch your emails and our website for updates on upcoming events.

## Meet Allison, our Recorder

I started skiing in childhood. While I may have stopped for a while, I didn't leave it for long. Around fifth or sixth grade, my parents took my sister and I for a couple of weekends at Peek'n Peak Resort in western New York. We had a lot of fun!

I joined my junior high and high school ski club where I got to practice and hang out with other students. Fun fact: My high school advisor was none other than Neal Casbean, also a Lewis Ski Club member and best known for the hat he wears both on and off the slopes.

I didn't ski much during college, but afterward I got back into it after finding a few like-minded friends. Around that time, I learned about the Lewis Ski Club after I mentioned I was looking for more skiing opportunities. I attended a meeting back when we were still at The Bomb Squad. The rest is history. I like going on club trips because it's nice to have a guaranteed group of people to go with, many of whom I already know from other trips and activities. While I think everyone is attracted to the club for our trips, it's the people that keep me coming back. Over time, I've enjoyed the outings, hikes, bike rides and other non-skiing activities just as much as my winter skiing adventures.

## Meet Shari, our Publicity Director

A great friend coaxed my son and I to Boston Mills Ski Resort on a Saturday in 2008. It was raining that day. Who would learn to ski in the rain? Uh, not me. Tyler stayed and learned to snowboard. He returned home later that day with rosy cheeks and a big smile. The following year, I learned to ski and instantly fell in love with the sport. My list for Santa was easy. SKIS! And boots. And poles. And bags to carry it all.

Our friend got us involved with the Lewis Ski Club and I was soon helping her run trips to Holiday Valley. No surprise, but she also inspired me to run our trip to Telluride in 2018. I enjoy running trips almost as much as I love to ski. Ironically, I've had some great days skiing in the rain. A rainy day on the mountain beats a day at the office every time!

Special thanks to my dear friend and longtime Lewis Ski Club member, Dianna Hosta for igniting my passion.

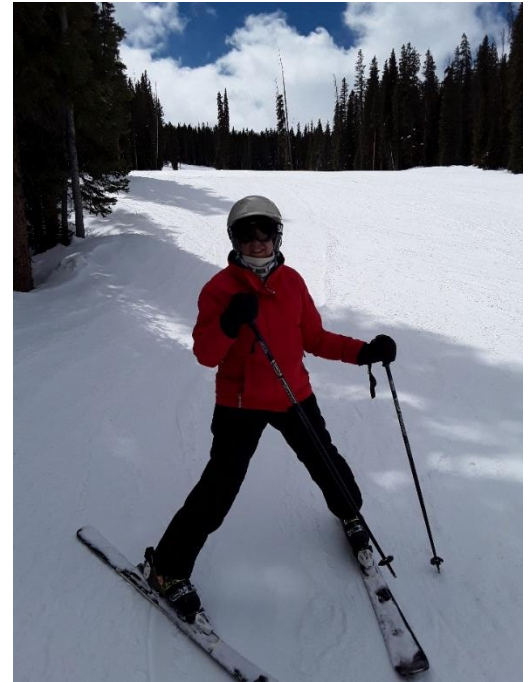

As your Publicity Director, I aim to showcase the thrill of skiing and snowboarding while making our club welcoming and visible to all. Whether it's outdoor adventures, social events, or trips to the slopes, I'm here to ensure everyone hears about it—and wants to be a part of it.

## Meet Janet, our Treasurer

I've been skiing since 1983 and had taken a ski lesson at Boston Mills with a friend back in the 1970's. I was looking for a club to ski with and found the Lewis Ski Club. My first western trip was with the club to Utah, and I thoroughly enjoyed the wide-open slopes. Since then, I have enjoyed skiing at other western and Canadian ski resorts as well as day trips to Holiday Valley, Seven Springs, and Holimont along with Canaan Valley and Snowshoe. I have previously held positions as the club Recorder and Trustee. I've held the Treasurer position since about 2011. I keep the club's finances and tax submissions in order with the help of Quicken and PayPal.

## Meet Tom, our Nordic VP

I joined the Lewis Ski Club in 1985 as a social activity to meet new friends. I found so many cool friends and had wonderful experiences with them. A friend took me out to Brandywine for some night skiing, and I was hooked!

I have been happily married to my spouse Liz for 35 years and we have 4 children (31M) (28F) (25M) (22M). Everyone in my family skis or snowboards. I skied for about 20 years then switched to the dark side when three of my children decided to try snowboarding. Nothing beats a powder day on the board. 😊

In 2006 I volunteered to be a trip leader and have run many fun trips to destinations like Breckenridge, Heavenly, Park City, Snowmass etc. Previously, I served as Alpine VP from 2007-2009. I also served as our club President from 2014-2016 and 2019-2024. This is my second year serving as our Nordic VP. I look forward to meeting new friends and making the club better than ever in the upcoming year!

## Message From our Activities Director

Thank you to all who participated in our brainstorming session. We came up with all kinds of activities, so this is going to be a busy spring, summer and fall! We have recurring events such as Volleyball on Monday Nights which is also the same day as the Slow Roll bike rides so maybe you can alternate between those two activities. The schedule for Slow Roll is posted at [bikecleveland.org](http://bikecleveland.org). We have other events in the works either to firm up the details or to set the date including Mulberry Creek and other local wineries plus fall outings to Amish country, including a visit to Hartville flea market potentially Sept 27th, apple picking, and fall hikes. We have set a date for the Paddleball social and picnic at Morton Park in

Fairview. If we get enough members we may consider making it a recurring event so be sure to come out for our kickoff event! Long-time member Russ will lend some balls and racquets or bring your own.
